

California Cleaners Association Presents...

The Fine Art of Finishing
Featuring Industry Expert

Jim Groshans, Head Coach, FabriCoach.com

SEMINAR WILL COVER:

- Produce a quality-finished garment in drycleaning and laundry
- Set production standards for your drycleaning and shirt laundry departments
- Set individual, departmental and plant PPH's
- Manage your production floor, decrease your labor hours and increase your profitability
- Understand the importance of work flow and proper equipment placement.
- And much, much more
