Check out this cool guy with the sweetest personality! "Nugget" is the gelding we get calls about daily, he's a great size, clean legged, and ready to go do a job! We've taken him trail riding in Hocking Hills, OH. He's road and traffic safe, goes over, under, or through anything you put in front of him. He clips, bathes, loads and hauls with no issue. Stands tied, and is good for the farrier, vet and dentist!

This girl might be the coolest pony we've ever had!

💙 10 Year Old Grade Mare - 📏 48" tall

Truly has been the go to mount for our friend Preston Rodriguez for the last 2 months, she's been used checking fence, roping calves in the pasture, she's been hauled to the practice pen and used to push steers back. This little lady is ready for any job you put in front of her! She will set her butt and stop, nice easy lope, catches both leads without an issue. The boys have even been trick roping off her! We have trail ridden this girl all over, she'll go through water, over bridges and through thick brush without a second thought. She's road and traffic safe, good with other horses and ponies in the pasture. She's been exposed to all the farm animals, as well as heavy equipment operating around her with no issue. She's good for the farrier, loads and hauls with no issue. Stands tied or hobbled anywhere you put her! If your kids are looking for one to keep up with daddies big horse, she's your girl! She would make a great little barrel pony in the right hands. Extremely willing, and a great temperament.
