

Athletic Program Policies – Parent/Guardian Guidelines

1. Support students who are playing and encourage them to develop skills;
2. Demonstrate a positive Christian attitude toward all students, coaches, and officials;
3. Demonstrate self-control and good Christian sportsmanship during the course of all events. (Abusive language and actions are not to be a part of our program from students or parents. Incidents will be dealt with for correction or persons asked to leave the event.) Will show respect for referees and will refrain from criticizing referees in the presence of team players. Will show respect for their own children by not criticizing them publicly at a game;
4. Assist with necessary physical arrangements for events in which their children participate (i.e. set-up, scoring, timing, admissions, concessions, clean-up, etc.);
5. Support students overall academic and physical health;
6. Parents are responsible for making sure their child is supervised by an adult at extracurricular events. Parents are expected to be present when their child is present – if not, they should make arrangements with another parent to provide supervision;
7. Children should be dropped off for and picked up from practice on time;
8. If a player's family or friends have a concern or disagreement with the coach, this should be brought to the coach's attention privately. Concerns **should not** be brought to the coach's attention during or immediately following a game (24-hour rule). If concerns remain, the athletic director or principal should be included;
9. Siblings should not attend practices unless accompanied by a parent;
10. If a parent or other family member becomes a distraction during a practice, he/she may be asked to leave.
11. Provide your parental consent and sports physical form to the school office.
