

Section 5- Student Policies

5.034 Absences- Excused

Students who are in good academic standing, labeled as a senior, and actively employed may be excused from school for half of the contact day.

1. Students must attend during assigned class times for coursework required for graduation.
2. A student must have active part-time employment to leave campus.
3. A student may consider college coursework and attendance at a college or university as "employment", qualifying them for half-time status.
4. Student tuition is not reduced for children attending half-time.
5. The student must be able to complete all coursework required for graduation within the set schedule.
6. All half-time arrangements must be approved through Administration.
7. The student must have exhibited the academic stamina, history and maturity to manage half time status
