5.002 – Student Driver and Parking

Operation of a motor vehicle on school property is a privilege granted by the Academy Board. It is not a right guaranteed to each student. This privilege can be suspended and/or revoked at any time based on the judgment of the school administrators. Vehicle must be registered at the OSCA office.

Signature on permission form acknowledges that the student has read the Student Vehicle and Parking Regulations document and agree to abide by the regulations stated. Any violation of the rules and regulations will result in the suspension and/or revocation of driving privileges on school property. Student recognizes POOR ATTENDANCE and LATE ARRIVAL to school will JEOPARDIZE DRIVING OPPORTUNITY.

Students and families release Our Savior Christian Academy from all liability associated with this action by the signature of provided permission form.

Student's desiring to park on campus will require the purchasing of a parking permit. The permit must be displayed on the rearview mirror. Students are issued one tag and this tag can be transferred to multiple vehicles driven on campus. Tags are not the property of the student but are proof of registration. Parking passes are not sold on a per term basis and are not refundable.
