Raise Sounds of Joy

Please join us at the OSCA campus in Platte City on Thursday December 7 at 6:00 for "The Joy of Christmas" music program featuring the first-sixth grade students. This year's production is directed by music instructor Sylvia Ratcliffe and will showcase the students' musical and singing gifts including the sounds of the newest instrument OSCA has acquired - choir chimes. "We have been practicing some of the Christmas music since the beginning of October," stated Mrs. Ratcliffe, "with the third and fourth graders learning their recorders and the fifth and sixth graders not only learning their musical instruments, but timing and dynamics since the start of the school year."

On Tuesday December 12 at 6:30, the Smithville campus will hold their Christmas program- "Happy Birthday, Jesus". Pre-school through tenth grade students are scheduled to perform. The program will highlight student singing along with sounds of African drums, chimes and violins. "The students have been working on this music performance for the last two months," said Smithville music instructor Cindy Weese. "I encourage all to come, see and hear the students' musical accomplishments."

Make a joyful noise to the Lord, all the earth

Advent Services Start December 6

The word "advent" is from the Latin word for "coming," and as such, describes the "coming" of our Lord Jesus Christ into the flesh. During Advent, we participate in a time of waiting for the birth of the Messiah and we hear from Scripture words from the prophets pointing us to Christ's birth. * Please plan to attend advent services at Our Savior Lutheran Church- Platte City- on December 6, 13 and 20 at 6:30 pm.
