

THE KNIGHT LIFE

The official school newsletter of Our Savior Christian Academy

"We are focused on making an eternal difference in the lives of our students and their families by teaching them who they are as children of God. I hope and pray that you all will support our Lutheran schools with your prayers. May God continue to bless our schools so that Christ is at the center of everything."

Missouri District President
REVERAND LEE HAGEN

OSCA CELEBRATES 15 YEARS OF FAITH-BASED EDUCATION

It seems like yesterday. Yet, 15 years ago when we opened the doors of Our Savior Christian Academy to our community, we did so with two full-time teachers and 20 enrolled preschool students. As we start the 2021-2022 school year, we will welcome 140 students and 25 staff through our doors on the first day of school and graduate our third high school senior class in the spring of 2022. Praise Jesus! Thank you for your continued support of Our Savior Christian Academy through your prayers, financial support, and volunteer efforts. We are truly blessed!

Teachers and Staff Prepare for Upcoming School Year

Painting, cleaning, and reorganizing are just a few of the things Our Savior Christian Academy staff have been doing since May to prepare for the upcoming school year.

Students will be welcomed on August 24 with a new student coffee bar at our Smithville campus and new playground equipment at the Platte City campus. In addition, staff has worked hard in the development of new and exciting class electives such as International Cooking, Digital Broadcasting, and Event Management.

Much work has gone into revamping the weekly Chapel format, now called Student Worship. This year, students will have the opportunity to be part of a focus group to help run and lead this weekly worship service.

Formal practices for middle and high school volleyball and middle school soccer have now started, with games starting the end of August. Check out the calendar on our website to find out game times and locations.

"The focus on everything that we do in our schools is to point children, parents, and families to Christ. That focus is lived on through school clubs, concerts, sporting events and every interaction between faculty and families."

Reverend Lee Hagen
**MISSOURI DISTRICT
PRESIDENT**

"This school is amazing. I don't know what we would do without the teachers, staff, and friends we have made over the years. Thank you!"
