"Teaching at a Lutheran school is an amazing vocation as we get to share our faith in all school settings, and we have the privilege and obligation before God to demonstrate the fruit of the Spirit when working with our students, their parents, and our co-workers."

OSCA Begins School Year with Record Setting Enrollment

Our Savior Christian Academy is experiencing a record number of enrollments- preschool through high school- for the start of the 2021-2022 school year. This past August, OSCA welcomed 155 students and families through our faith-based doors. "Parents and caregivers are looking for empowerment and choice when it comes to their child's education," states Superintendent Pappert.

"We offer personal attention which all children are deserving of along with unique opportunities only offered through smaller schools." Our mission hasn't changed over the past fifteen years. We care deeply about sharing the Gospel and providing an outstanding school experience. We are excited to see our community seeking out these virtues and are blessed hold each and every enrollment.

Theme for 2021-2022 School Year- In All Things

BY THE LCMS- NATIONAL YOUTH GATHERING

He is the image of the invisible God, the firstborn of all creation. For by him all things were created, in heaven and on earth, visible and invisible, whether thrones or dominions or rulers or authorities—all things were created through him and for him. And he is before all things, and in him all things hold together. And he is the head of the body, the church. He is the beginning, the firstborn from the dead, that in everything he might be preeminent. For in him all the fullness of God was pleased to dwell, and through him to reconcile to himself all things, whether on earth or in heaven, making peace by the blood of his cross.

IN ALL THINGS is a reminder that the Christian story encompasses all things. Nothing, and no one, is left out. Christians believe there is only one story of all things, and this is it!

The inclusive nature of the story was explicit in Jesus' ministry. Samaritans, tax collectors, prostitutes, Romans soldiers—he included all of them under his gracious reign. What began with individuals in his ministry extended to everyone in his resurrection. Inclusivity, which is a supposed virtue today, is central to the Christian narrative. The message that Christ is reigning over all things can be of comfort to all.

"The beauty of Christian education is that not only is God relevant but He is also, more importantly, the center of all that is taught, experienced, and desired. He Himself is truth and all that is learned flows from Him and gives glory back to Him."
