

INTERNATIONAL INSURANCE // TRAVEL INSURANCE

Keep your team members protected wherever they go

Organizations are operating all over the world and competition is fierce for employee talent. This means your Medical Insurance and Employee Benefits requirements are increasingly more challenging to place, especially for international risks in emerging markets.

Global Benefits USA provides access to a unique suite of products specifically designed for your international workforce.

Global Benefits USA Key Industries:

- Global and international organizations
- Non-government organizations (NGOs)
- Chambers of Commerce
- Mission Sending Organizations
- Churches
- Missionaries
- International schools
- US government contractors
- Foreign-based corporations
- Any organization or person living outside of their home country
