

KEY PLACES IN GENESIS

1. **Mountains of Araret** – Adam and Eve’s sin brought sin into the human race. Years later, sin had run rampant and God decided to destroy the earth with a great flood. But Noah, his family, and two of each animal were safe in the ark. When the floods receded, the ark rested on the mountains of Araret. (Gen. 8:4)
2. **Babel** – People never learn. Again sin abounded and the pride of the people led them to build a huge tower as a monument to their own greatness-obviously they had no thought of God. As punishment, God scattered the people by giving them different languages. (Gen. 11:8-9)
3. **Haran** – Terah, Lot, Abraham and Sarah left Ur and, following the fertile crescent of the Euphrates River, headed toward the land of Canaan. Along the way they settled in the city of Haran for a while (Gen. 33:31)
4. **Shechem** – God urged Abraham to leave Haran and go to a place where he would become the father of a great nation. (Gen 112:1-2) So Abraham, Lot and Sarah traveled to the land of Canaan and settled near a city called Shecchem. (Gen. 12:6)
5. **Hebron** – Abraham moved on to Hebron where he put down his deepest roots. (Gen 13:18) Abraham, Isaac, and Jacob and lived and were buried here.
6. **Beersheba** –As Isaac was moving from place to place, God appeared to him here and passed on to him the covenant he had made with his father, Abraham (Gen26: 23-25).
7. **Bethel** – After deceiving his brother, Jacob left Beersheba and fled to Haran. Jacob lived in Haran, worked for Laban, and married Leah and Rachel(Gen 29:15-28). After a tense meeting with his brother Esau Jacob returned to Bethel (Gen 35:1).

8. Egypt – Jacob had 12 sons including Joseph, his favorite. The other brothers grew jealous so they sold him to merchants going to Egypt. Eventually, Joseph rose from Egyptian slavery to become Pharaoh' right-hand man. He saved Egypt from famine. His entire family moved from Canaan to Egypt and settled there (Gen. 46:3-4).
