## NOTE FROM OUR PASTOR

### Easter Sunday April 9, 2023

Happy Easter to all! May I compliment all the people who were involved in the Holy Week Masses and services? What a wonderful way for all of us to give praise to our God.

A priest explained the Paschal Mystery – the suffering, the dying and the resurrection of Christ to the second grade class. He described the crucifixion in gory detail. The students were aghast. Then he told the rest of the story. The Resurrection. When he came to the empty tomb, he asked the class if they knew the first words that Jesus said when he stepped out of the tomb and took his first breath of fresh air. No one knew what Jesus said. Then a little girl bashfully raised her hand. "Well," said the priest, "would you stand before the class and tell your classmates what Jesus said as he came out of the tomb?" The little girl stepped to the front of the classroom, turned to her classmates, threw both arms heavenward and shouted in a loud voice, "TA-DA!!" (That's not exactly what Jesus said. but the little girl had the right spirit of the resurrection.)

The poinsettia plant is the symbol for Christmas. The lily is the symbol for Easter. The lily is mentioned numerous times in the Bible. One of the most famous Biblical references is in the Sermon on the Mount, when Christ told his listeners: "Consider the lilies of the field, how they grow: they do not toil, nor do they spin; and yet... Solomon in all his glory was not arrayed like one of these."

Lilies are often called the "white robed apostles of hope." Lilies were found growing in the Garden of Gethsemane after Christ's agony. Tradition has it that the beautiful white lilies sprung up where drops of Christ's sweat fell to the ground in his final hours of agony. Churches continue this tradition at Easter time by decorating the altars with beautiful Easter Lilies. The lilies commemorate the resurrection of Jesus Christ and hope of life everlasting.

## EUCCHARISTIC REVIVAL DIOCESAN YEAR

The reality that, in the Eucharist, bread and wine become the Body and Blood, Soul and Divinity of Christ without ceasing to appear as bread and wine to our five senses is one of the central mysteries of the Catholic faith. This faith is a doorway through which we, like the saints and mystics before us, may enter into a deeper perception of the mercy and love manifested in and through Christ's sacramental presence in our midst. While one thing is seen with our bodily eyes, another reality is perceived through the eyes of faith. The real, true, and substantial presence of Christ in the Eucharist is the most profound reality of the sacrament. "This mysterious change is very appropriately called by the Church transubstantiation." Though Christ is present to us in many ways in the liturgy, including in the assembly gathered, the presiding minister, and the word proclaimed, the Church also clearly affirms that "the mode of Christ's presence under the Eucharistic species is unique." As St. Paul VI wrote, "This presence is called 'real' not to exclude the idea that the others are 'real' too, but rather to indicate presence *par excellence*, because it is substantial and through it Christ becomes present whole and entire, God and man." In the sacramental representation of his sacrifice, Christ holds back nothing, offering himself, whole and entire. The use of the word "substantial" to mark the unique presence of Christ in the Eucharist is intended to convey the totality of the gift he offers to us.
