Basic Beverage Bar – Consists of 3 gallon refillable Belgian Blown Glass Beverage dispensers, one filled with iced water and the other either with punch, lemonade or iced tea. It also comes with hot coffee and condiments and biodegradable paper products. This is an amazing choice to help eliminate waste and at the same time offer a variety to your guests. \$3.00

Hosted Beverage Service

Hosted Beverage Service includes set-up, service and take-down. Your guests are not charged for their beer, wine or drinks. You receive an average of 2-3 drinks per guest and are charged anywhere from \$8.50 per guest and up depending on your beer and wine selection. This option includes disposable barware and cocktail napkins.

- If you wish to, you can provide your own alcoholic beverages for us to serve. There is a \$40 per hour charge for the bartender + \$180.00 Liquor Liability Insurance Fee. In this case you are responsible for getting the alcohol to the venue, chilled and with ice if needed. All taps need to be provided by you. The bartender will arrive 30 minutes prior to the bar opening and can serve for 5 hours.
- You can either provide the garnishes, cups, straws and napkins or you can request that we do- whereas we would charge you based on your drink choices and guest quantity.
- Table or bar and linen need to be provided by venue.
- Glassware is available @ .50 each piece.
