

In order to make our 12th Annual Moffat County Balloon festival the best it can be, the 2022 Committee is asking for your financial sponsorship, support and attendance. This year's main event is scheduled for Saturday, August 6, 2022 at Loudy-Simpson Park in Craig with additional balloon launches on Friday and Sunday mornings of that weekend.

****You can be a part of our success****

The Moffat County Balloon Festival continues to grow in numbers and popularity due to local sponsorships and participation by businesses within Moffat County and around the NW Colorado area. Our first balloon festival started in 2010 with five balloons. In 2022 we are hoping to continue to expand our number of pilots and balloons and add some new and exciting demonstrations and events. Our 12th year will again have FOUR bands with LIVE music in the park throughout the day leading up to the balloon glow! The event draws attendees from Northwest Colorado, Grand Junction, the Front Range, Utah and Wyoming.

We have enclosed our 2022 Sponsorship information. Please contact any of the Hot Air Balloon Festival Committee members listed on our site should you need additional information for your budgeting process. Thanks again for your interest and support of the previous Moffat County Hot Air Balloon festivals. We hope we can count on your support to make our 12th Annual Moffat County Balloon Festival in 2022 even better and to continue to be able to offer this event at no charge to the public.
