The Best Value for Money Charolais Female Sale in Australia!

Welcome

We take this opportunity to welcome you to the 14th Annual Charnelle Invitation Charolais Female & Genetics sale. This year we have put together another exciting catalogue of 78 females, 4 bulls, 144 embryos, & 963 straws of semen.

- This year's catalogue has a female for every operation. We feel sure you will be impressed with the quality of females and genetics on offer.
- This year at Charnelle we have decided to include in our sale 20 females which represents a modest reduction of our herd.
- This year we are pleased to offer 16 females that have been DNA tested as homozygous polled. These are clearly marked in the catalogue.
- A number of the females are halter broken and are definite show prospects. The vendors this year will select five finalist females through a voting process before the morning of the sale. These five finalists sponsored by Black Duck and Charnelle Charolais will then be put into the ring where

an Elders Champion & Reserve Champion will be selected by an over judge.

- The embryo and semen lots on offer this year would have to be some of the best ever offered at our sale. One of the special features this year is the offering of embryos by the Elite Sires Palgrove Rockerfella and Silverstream Evolution. These lots come in as lots 101, 104, 105, & 106.
- As the saying goes, "The good ones are never dear".
- The sale will be live streamed with Stocklive Elite. (Please familiarize yourself with Stocklive Elite some time before the sale date)
- Short term agistment is available to coordinate with other sales.
- Transport to most places will be available.
- A canteen will be operating on sale day.
- **Insurance:** We will take care of all animals after the sale; however, it is our recommendation to insure your purchases. A representative will be available on sale day.
- **Guarantee:** If your purchase is found by a veterinarian to be infertile within 6 months of sale the vendor will replace your purchase with a similar female or refund the purchase price.
- **Youth Member rebate:** We are passionate about helping the youth membership of today so this year we are offering all Youth Members a 5% rebate on all Charnelle lots only, including embryo and semen lots. If you are not yet a member, but are interested in the Charolais breed and would like to join? Please give the fabulous team at the Society office a call on 02 6771 1666.
- **WA Genetics Delivery:** For the last six years, excluding two of Covid, I have personally delivered embryos and semen to Bunbury WA after our sale. For any interested WA buyers, I have already booked flights so I can deliver again this year on the 20.03.2024.
- **Inspections:** Inspections presale are welcome.
- On behalf of the vendors and selling agents we invite, and again welcome you, to our sale and look forward to seeing you on Saturday 2th March 2024. We wish you all the best with your purchases.

Warm Regards,

Graham Blanch.

PS. Please bring your catalogue to the sale.

Outside Agent Rebate:

The vendors agree to a 3% rebate to any outside agents who attend the sale with, or buy on behalf of, their clients and settle within 7 days.
1% rebate to any outside agents introducing approved buyers to the vendors prior to the sale and settling on their behalf within 7 days of the sale.

HOW TO REGISTER with

STOCKLIVE ELITE

Follow these easy steps to start bidding:

Visit www.stocklive.com.au using your desktop, laptop, iPad, iPhone or Android device. NO App required.

Select the **bid** icon beside the sale you wish to bid on.

If you're new, select **register**, and complete the form with all your details, **accept sale conditions**, select **create bidder registration**.

You will receive an email from StockLive. Select "**Confirm my bidding account**" to set your password and **accept** Bidder Account Terms & Conditions and Privacy Policy followed by **create my account**.

Congratulations! Your StockLive account has been created and your bid request is pending. You will be notified via email when your request to bid has been approved.

Existing users, follow steps 1 & 2, select login, enter your details followed by the **request to bid** icon beside the sale you wish to bid on and then **accept** the terms.

On Sale Day, follow steps 1 & 2, select **enter auction** to watch, listen and purchase when the sale is flashing **LIVE**.

Invoicing and delivery will be carried out as per your registration details by the respective Selling Agents.

Lot 1

CHARNELLE PANACHE 25 (P) (R/F)

J-BAS 7

Vendor: G.K & K.A BLANCH

Tattoo: GKA P60E

DOB: 28/10/2018

Comments: Quality starts at lot 1! Panache 25 is a smaller frame cow with a very big output. She had her first calf at 20 months which was unintentional. It was the very first calf by Panama and sold out of the paddock at 15 months for \$10,000. Her second calf C. Panache 29 (photo right) was one of our leading heifers last year and sold to Jon Weeks for \$7500. She has a pretty handy bull in our bull pen, and what about calf number four at foot; a heifer by Silverstream National born 01/09/2023. We believe this calf C. Panache 33 GKA23U43E is good enough to fit into a show team and has been tested BPA Free and PI negative. Panache 25 is a very sound cow with a terrific udder and heavy milk just like her mother Lot 12. **PTIC to SCX Jehu – AI date 21.12.2023.**

CHARNELLE DIGNA 183 (AI) (P)

J-BAS 7

SV

DNA: 100K

Vendor: G.K & K.A BLANCH

Tattoo: GKA S1E

DOB: 10/01/2021

Homozygous Polled

Comments: We believe Digna 183 to have a bright future wherever she goes. When you combine the softness of Wyoming Wind, power and maternal traits of Performer and then the growth, carcass, fertility and maternal traits of Blackjack, you have the whole package. She has a beautiful nature. We rate the Blackjack females highly. She is Homozygous Polled. Digna was placed 2nd in her class at the 2022 Ekka. Due to calve to Johnny 15.02.2024.

Comments: A Digna female with that blend of French & North American genetics. We have never had a Federation female that hasn't been the goods for us. Bull calf at foot Charnelle Urwin (P/S) GKA23U55E, born 14.10.2023. Photo right is of a son Sterling who sold last year out of the paddock at 15 months for \$11,000. Digna is a hard worker and has had 5 bulls and 1 female to date. Another son Thunder T34 is currently being used over some of our stud heifers. PTIC to SCX Jehu – AI date 11.12.2023.

Vendor: G.K & K.A BLANCH

Tattoo: GKA M9E

DOB: 19/02/2016

J-BAS 7

Comments: Digna 152 is a valued Gallway daughter that has really left her mark in our herd. Her first son Preston was the sire of our highest ever priced bull Skipper (\$29,000) in 2022. Two of her sons by Elders Blackjack (Quicksilver right) have sold to \$14,000. Heifer calf at foot by Glenlea Quartermaster Digna197 GKA23U54E born 11/10/2023. Paddocked with Charnelle Thunder T34E till sale day. Twin sister to lot 31.

PALGROVE PANACHE 139 (PK A396E) (P)
PALGROVE PANACHE 72 R/F (PK T86E)

Comments: We bought Palgrove Panache 139 at the Palgrove sale in 2008 as a Joined heifer, and thus began our Panache cow family at Charnelle. Panache 22 is a Granddaughter, and Charnelle Panache 8 (photo bottom right) is a daughter of our original Panache 139. Panache 22 has been flushed once and gave us Charnelle Swagman (PP) S38E (photo bottom left) by L T Authority. A daughter Panache 27 R42E sold as one of our feature heifers last year to Glenda Dahrtler for \$7500. We have retained a Diamondback daughter which we have added to our show team. Bull calf at foot by SCX Jehu born 20.12.2023, Charnelle Upstart (Homozygous Polled and BPA Free). There is a lot of potential in this calf.

Aled to Silverstream Padra 31.01.2024 and then paddocked with Charnelle Top Gun (P) GKA 22T18E till sale day.

CHARNELLE DIGNA 158 (P)

J-BAS 7

Vendor: GK & KA BLANCH

Tattoo: GKA N33E

DOB: 28/05/2017

Comments: Digna 158 is a larger framed half French female from that noted Palgrove Digna cow family. In the pedigree you can spot the true herd foundation matron & influencer Palgrove Digna 36. She sells with a R/F bull calf at foot U R Great GKA23U41E born 11/08/2023 by Glenlea Quartermaster (photo right). She is PTIC to Quartermaster again to calve late July 2024 in what should be less than a 365-day calving interval.

Comments: Silver Shell 2 is a young cow with her breeding going back to Silver Bullet, Exclusif and Pinay which means she has full French on both sides. She has the best, soft sweet nature you could ask for. Her 200, 400 and 600 growth figures are all well above average. This young cow has a fine coat and great udder with plenty of milk. Her first calf, a bull calf by (OW Lead Time), CCQ-23, U17E. A l'd to (Elders Blackjack), on the 14/11/2023 and PTIC. She has been running with Charnelle Rouseabout from the 30/11/2023. Can be viewed on the Cheyenne Facebook page.

JACKSON ZIGGY (MEJ Z1E) (P)

Comments: This big strong PP Polled Glenlea Base female is the Paternal sister to the highest selling Charolais female in 2022. We selected this Cow and Calf unit, as the heifer calf is the best female in our spring drop of calves. We offer this Quality female after retaining her 2020 daughter Sired by "Charnelle Louis."
Calf at foot is a show prospect heifer Sired by "Minnie Vale's" stud sire "Glenlea QBrick Q906E."
JOINING SIRE. We are excited to introduce a young Sire in "Taylor Glenlea Fargo T14" PP Polled with outstanding pedigree & EBV's his genetics from the USA and Silverstream in NZ. Pregtest and DNA results available before sale day.

PALGROVE DREAM GIRL 13 (PK W374F)

Comments: A really sweet natured Angel here. Halter broken Angel was a show heifer in her younger days and won first in her class at the Ekka in 2019. You will really love to have this female in your front paddock. When you combine the French genetics of Riverview Angel, Softness and maternal genetics of Wyoming Wind, and the power of Evolution and Justice, you have an almost complete package. She has been flushed once for a disappointing 2 embryos. These embryos by Blackjack resulted in 2 bull calves for Penny Rigney Tas. The saying goes "The proof is in the pudding". Check out the two photos below. The one on the left is Silverjack S11E by Elder's Blackjack who sold for \$17,00 last year out the paddock. The other is our feature heifer Angel T22E (Johnny) who is lot 40 in this sale.

PTIC to SCX Jehu. AI date 23/08/2023. Due to calve on 05/06/2024.

SILVERSTREAM DASHER T13 083020013 (PED X13E)

Comments: We thought long and hard about offering Dasher R8E in the sale, but because we are retaining Blackjack embryos, and the need to reduce our herd, we decided to offer her as one of our special donors. She was our pick of the sale three years ago as an unjoined heifer and jumped at the opportunity to secure a Silverstream Dasher H104 (photo below left) daughter. Dasher H104 in our minds is an outstanding female and is also the dam of Landis which we rate very highly. Dasher R8E has been flushed twice for a total of 10 embryos 6 x A & 4 x B. She has had two calves: a heifer Dasher T15 (photo below right) by Charnelle Rouseabout and a bull calf by Johnny. Dasher is a powerhouse female with beautiful softness and femininity, and opportunities don't come along too often to purchase a young female with a pedigree like this. **Dasher R8E is carrying twins by SCX Jehu (photo right) due 11/08/2024.**

Comments: Panache 10 has earned her place in the donor paddock. Check out some of her progeny in the photos below. Below left is Manager, Homozygous polled by Gallway sold for \$9500 to Reade Radel, and below right is Panache 31 by Johnny who will replace Panache 10 in our herd. Panache 10 is Homozygous Polled & Homozygous Red and has never thrown broken colour in any of her 9 progeny to date. She has never had her feet trimmed and is very sound for her age. She is one of the best milking females in our herd even though her figures suggest otherwise. Two of her daughters in this sale (lots 1 & 17) show a little of what this matron can produce. Her sire Thin Red Line was our choice, looking for a low birthweight Red Sire in Canada in 2010 and he is still being used by us today over first calvers. **Two Bonus A Grade Embryos by Gallway (full siblings to Manager) go with this lot.** Flushing history: Four Flushes – 27 x A Grade & 12 x B Grade.

PTIC to Charnelle Station Master Homozygous Polled Full French GKA S46F – AI date 27/10/2023 – Due to calve on 05/08/2024.

Allflex Livestock Intelligence

Tissue Sampling Unit (TSU)

Our Tissue Sampling Units are easy to use, yielding excellent lab results. Collect a clean, uncontaminated sample in seconds with a single squeeze motion.

When paired to a matching NLIS and management tags, we've simplified DNA sampling, creating an absolute sample to animal linkage.

Comments: Gold Rai was our pick from this sale in 2017 and has bred very well for us. She is as sound as they come with terrific length and udder. She is currently raring an ET calf that will be weaned and retained pre-sale. We would not normally use her as a recip but it was a matter of being in the right place at the right time to receive a B Grade embryo. She is a low maintenance cow.
Gold Rai was Aled to SCX Jehu on 16/01/2024 and then paddocked with Charnelle Top Gun GKA22T18E till sale day.

 FLEETS RASCAL MF0009091 (IAE F6170F)
 PALGROVE DIGNA 33 (PK N92E)
PALGROVE DIGNA 6 (PK G105E) (P)

Comments: Another Digna, another cow with terrific length and a real honest breeder. One of her daughters Digna 176 (photo right) sold at this sale 3 years ago for \$7000. She has a sweet heifer calf at foot Charnelle Digna 198 GKA23U65E by Charnelle Panama born on 31/12/2023. We first saw Digna's sire D'Angely (photo left) in France in 2013 and were impressed with his soundness, temperament, length and ease of calving record. Joining details sale day.

Comments: Starstruck S20 is well worth your inspection; sired by Silverstream Manhattan out Warilla Friesia Mac. S20 offers a strong maternal pedigree, with her grand dam being the great old Palgrove Friesia 19 who produced many stud sires & donor dams. S20 sells with a heifer calf at foot sired by Charnelle Smokin Hot. S20 has been AI'd to SCX Jehu on 21/12/2023 and has been running with Charnelle Top Gun (GKA22T18) (photo right) from 01/01/2024.

Comments: A red factor polled Ascot Eldorado daughter, Lola is a big volumed robust breeding cow, who is beautifully refined and correct. Her Calf at foot demonstrates what she is capable of.

Red Factor heifer calf at foot sired by Mountview Ramsay (IJB R3E) born 23/09/2023.

This is a real opportunity to secure a truly unique package.

AI'd to LT Vista on 18/12/2023 Preg test details sale day.

UPS N DOWNS BLONDIE (SS1 B4F)

Comments: Belervale Macey has been a strong foundation for Belervale Charolais, providing us with many quality calves. She was shown at many of the local shows in the Darling Downs from 2015 to 2017 and frequently placed in the top 3. Macey is soft natured with a moderate frame and sound structure. Running with Belervale Novocaine BLVN1E since 26th November 2023. Pregnancy details closer to sale day.

Homozygous Polled

Comments: This year we have selected 3 beautiful 'S' drop Mario daughters that were too young to join last year. Desire 20 is without doubt one of the best heifers we have offered to date. She has a heap of bone and softness with great depth of body, a beautiful feminine head & outlook & is DNA tested homo polled and defect free. Her dam has had 7 calves in 7 breeding years including our top selling bull from 2021. Served by ANC Q Pac (P) (pictured right) on the 22/10/23. Pregnancy details available closer to sale date. We had a mishap with breedplan, this heifer is far better than her EBV'S suggest & they will improve by sale time. She is an absolute donor prospect!

Comments: A classy heifer that has stood out since birth for her sweet, soft look yet displays so much carcase and natural body expression. Great mix of pedigree being sired by Mario who is breeding so well for us, then out of a Dozer cow. Very correct heifer standing on great feet and legs. Shows all the credentials to become a beautiful easy keeping type of cow that will breed bulls all day long. Served by ANC Q Pac on the 23/10/23 then running with Violet Rex from 1/11/23. Pregnancy details available closer to sale date.

Comments: There is no question the great job Mario is doing for our stud. Here is another top-quality daughter this time out of a river run heifer that we purchased as one of our favourite lots from the 2019 Charnelle sale. Double polled, moderate framed, slick coated, full of constitution and ability to finish easily. She should develop into a great no fuss cow with a good udder and nice temperament. Running with Bauhinia Park Revolver (P)(photo right) from 20/9/23 - 1/11/23 then with Violet hills Rex (PP). Pregnancy details available closer to sale date.

Vendor: CHEYENNE CHAROLAIS ENTERPRISES Tattoo: CCQ 22T14E DOB: 20/06/2022

J-BAS 7

Comments: : Our first female for sale by Charnelle Rouseabout (photo right) and what a stand out. Flamming Star 2 is a well-developed heifer with a long deep body with great presentation. Her breed plan is all well above average with a minus 5-day gestation length which is in the top 10% of her breed. In addition to all of this she is extremely quiet and easy to work. A l'd to to (No Doubt), an oldie but a goodie on the 11/10/2023 and PTIC. Can be viewed on the Cheyenne Facebook page.

Comments: Here we have a potential donor cow, DNA tested Homozygous Polled. A top breeding package here with her Grand Daddy's being Elders Blackjack and Gallway. Elders Blackjack's semen is no longer available. Black Star has all of Blackjack's traits, she has femininity, length, softness and size. Breed plan statistics are all above average. This smooth coated, super quiet, good looking female will fit into any breeding programme.

This will be her second calf. She was AI'd on the 21/09/2023 to No Doubt and has been PTIC. With the calf being due on 04/07/2024. She can be viewed on the Cheyenne Charolais Facebook page.

RIVERVIEW ANGEL (RIV A16F)

Comments: Angel 10 is a real sweetie, a definite feature in this year's sale and one that we were very reluctant to part with. Her sire Johnny has been a very special Polled French import for us, and his semen has now sold out. His record speaks for itself. Four sons to date for two different vendors have averaged \$19,000, and a half share in the one daughter we sold at this sale two years ago; sold to Jon Weeks for \$12,000. The first of our Johnny daughters has now calved the second time and really looks the goods for milk, type and structural correctness. Her dam Angel 7 is featured as one of our Donor Females in this sale as lot 10. See her notes with a great combination of some of the best of French, USA, New Zealand and Australian genetics. Angel 10 has been shown successfully this last year including at the Ekka. She will be entered for the Beef Expo 2024 if the new owners so decide to show her there. Aled to L T Authority on 11/12/2023 and then has been running with Charnelle Thunder from 26/12/2023. Details sale day. Tested PI negative.

Comments: A beautiful show heifer, halter broken and show ready. She has terrific length and femineity and is a maternal half-sister to one of our top sellers in 2022, Charnelle Red Rascal, who sold to the Radel family for \$15,000. The Ja-Cie cow family is well recognized for producing the great Fernvale Prime Mover who was one of the best in Australia in the 90's. She is by Authority, one of the best calving ease specialist sires to come from the USA in recent years. Jac-Cie 17 is PTIC to Silverstream Padra (photo right) with the AI date being the 09/11/2023. She has been foetal sexed and found to be carrying a female foetus. Tested PI negative.

Comments: Spice S68 is a very easy doing heifer that carries a great barrel and shape. Our walking sire, Charnelle Panama (PP) who continues to breed very well, sires this heifer. Her grandmother Challambi M5 bred the second top price bull in our online bull sale in 2023. Top 5% 400 and 600 day weight. PTIC, AI'd to Challambi Leopold (CHAL2E) 24/06/2023 and paddocked with Challambi Tyrone 08/07/2023 to 31/07/2023. Preg test results indicated she held to AI.

Comments: An opportunity not to be missed! Amelia is the first ever female we have offered for sale but with our small numbers we can't keep them all. Amelia is a sweet polled heifer out of a moderate framed first calf heifer with a lovely udder. She has been broken in and prepared by our young sons who have shown her at our local shows. With a pedigree that speaks for itself definitely a female to consider adding to your herd. Coat slightly creamy, BW 38kgs.

DAM: MOUNTVIEW STELLA N27E (IJB N27E) (P)

PALGROVE ESTELLA 291 (PK D870E) (P)

Comments: Another Homozygous polled heifer sired by Mountview Ramsay (IJB R3E). Stella is a smooth coated, impressive extremely soft heifer. She is one of our favourites as she always catches your eye in the paddock. Good volume with loads of hindquarter and feminine outlook. Stella will go on to become something very special. Sells unjoined.

Comments: The first of three very nice Padra daughters. We have been using Padra for a couple of years now and are impressed with his consistency in producing cattle with volume, softness, low maintenance and a good disposition. Julie 11 has all these attributes and is a female that you could build a herd around. Julie 11 has been tested PI negative and sells unjoined.

Homozygous Polled

Comments: Full sister to the previous lot but this time Homozygous Polled. She has that same femineity and length of body as her full sister. Her Great Grandam Palgrove Digna 36, sired by Mac 2244 was a very influential, foundation female in our herd. Photo right is Charnelle Stateman, a maternal half-brother to lots 74, 75 & 77 and typical of the offspring of Digna 141 (GKAK54E). Digna 191 has been tested PI negative and sells unjoined.

Comments: If you have left it till now to secure a really nice heifer, you won't be disappointed with Nadia. She has beautiful length, softness and femininity. She is a BPA Free Diamondback daughter out of a cow that was imported from New Zealand as an embryo. Her dam Nardia Q45E is a full sister to Milford Braxton (photo right), one of our low birthweight semen sires with plenty of length and muscle. Nadia T50 has been halter broken and is very close to being show ready. She has been tested PI negative and sells unjoined.

Vendor: JM & GA WEEKS

Tattoo: JGW 22T5E

DOB: 28/04/2022

J-BAS 6
BPA: Free
PV
DNA: 100K

ASCOT GOLDRUSH G136E (JAJ G136E) (P)
SIRE: ASCOT GOLDRUSH L87E (JAJ L87E) (P)
GOBONGO GRORGINA D156E (GO D156E) (P)
WCR SIR FA MAC 2244 M234430 (OAU B2244E) (P)
DAM: WARILLA FRIESIA MAC (JGW M1E) (P/S)
PALGROVE FRIESIA 19 (PK Y224E) (P)

Comments: Warilla Goldrush T5 is an outstanding young sire, sired by Ascot Goldrush L87 out of our leading donor, Warilla Friesia Mac M1. T5 displays tremendous length of body, great feet & leg structure, with great carcass attributes and a docile temperament. T5's EBV's suggest that he is suitable for heifer mating. His EBV's rank him in the top 1% for IMF, top 10% for Rump fat & milk, Top 15% for low birthweight & rib fat. Semen tested.

Purchaser / \$:

Bovine Progressive Ataxia (BPA)

What is progressive ataxia?

The disease causes incoordination in Charolais cattle. The calves are born clinically normal. Onset of the disease is typically seen at 18-24 months-of-age. Early onset cases have been reported for animals as young as 8 months old and some cases have been reported for animals who are 30 months-of-age at onset, but these reports are infrequent. Affected cattle are typically culled by 36 months-of-age. French surveys determined no genotyped cattle older than 30 months-of-age were homozygous for the variant allele. Incoordination is first noticeable in the rear limbs which can exhibit spastic movements. Weaving, stumbling, and toe dragging are common. Affected cattle may have difficulty getting up and as front legs get affected, they can become unable to rise. Females may experience pulsating urination. Progression takes several weeks to a few months. Initial symptoms can be similar to rabies, other infections or an injury. Infections progress faster and injuries are generally static or injured animals slowly recover.

- **How do we deal with it, and manage it at Charnelle?**
- We are testing all stud calves.
- We have tested 18 Donors, past and present and found one to be a carrier.
- We have tested several of our semen sires and found one to be a carrier.
- **Animals that are carriers do not have the disease. They are carriers of the BPA gene. Bulls are still good commercial bulls – Females need to be mated to known BPA Free bulls.**
- **BPA status has been clearly marked or noted in this catalogue. If there is no BPA status it means that animal has not been tested.**

NEOGEN AUSTRALIA do all our DNA testing and it was nice to meet some of their staff from the new lab at Bundamba when they dropped in to say g'day at last year's Ekka. Thanks, Neogen for the work you do. We know more about our cattle now, than we ever did before!

Charnelle Umberto (PP) GKA23U39E BPA Free
Silverstream Landis x Charnelle Emma (PP) GKA E50E

SILVERSTREAM DASHER E193 083090193 (PED E193E) (P)

Comments: Another lot of Jehu embryos. This time the package guarantees the progeny will be Homozygous Polled as are their parents. Dasher R8E is definitely a highlight in this sale and is offered as lot 11. The power in this female, who is yet still so feminine, must be seen to be admired. Dasher R8E is a half-sister to the great NZ breeding bull Landis.

Both Sire and Dam have been tested BPA Free.

Price per embryo. 50% guarantee if implanted by an accredited technician within 12 months.

All Charnelle embryos are stored at The Repro Group Allora, Qld.

DAM: CHARNELLE DIGNA 91 (AI) (ET) (P) (GKA D65E)

CHARNELLE DIGNA M.A.2 (GKA R44E) (P)

Comments: Photo left is of Black Duck Spritzer, a full sibling to these embryos. Spritzer was placed first in her class at last year's Ekka. She has developed into a terrific mother with plenty of milk. Calves from this mating will be Homozygous Polled.

Price per embryo. 50% guarantee if implanted by an accredited technician within 12 months.

All Black Duck embryos are stored at The Repro Group Allora, Qld.

Purchaser / \$:

Tribute to John & Ding Atkinson – the founders of UNITED CATTLE BREEDING SERVICE Allora QLD.

I would like to extend our condolences to the extended Atkinson family with the passing of John & Ding during the past year. I believe the husband & wife team began the United Cattle Breeding Service at Allora in the late 60s and ran the business together as a team up until a few years ago when Johnny & Christie Osborne bought it and manage it today.

We have been in the stud business for the last 32 years and because we use artificial insemination as a preference of mating in our herd, John's business has been a very important part of our operation.

John was hard working, honest and was more of a friend to me than just a businessman. Whenever you asked him for something ...he would reply "that will be no trouble".

That was the thing that I remember most about John was that nothing was ever too much trouble for him. In the business of dealing with semen, embryos, nitrogen, and shipping genetics etc, we know things don't always go to plan, but nothing was ever too hard for John. When we travelled to Canada in 2010, John sent me on a mission to find a good red factor Charolais bull that we could use, and he could sell in Australia. We still use that bull today. I also did my AI training course there at the farm in the early 90s.

So grateful to have known John & Ding and we thank them very much.

Graham & Katrina

DAM: CHARNELLE ELEGANCE 16 (AI) (ET) (P) (GKA P11E)

CHARNELLE ELEGANCE 6 (GKA H45E)

Comments: What an opportunity! Here we offer the opportunity to purchase embryos from the \$100,000 sire Palgrove Rockerfella, out of our best donor female Charnelle Elegance 16. Elegance 16 has grown out into a brilliant broody cow, with a great udder & strong milking ability. We are extremely excited by this mating. **Embryos dispatched from Agri-Gene.** 50% guarantee if implanted by an accredited technician, within 12 months of purchase. Price per embryo. Sire has been tested BPA Free

Purchaser / \$:

Lot 102

4 x A Grade Embryos

CHARNELLE ELEGANCE 16 (AI) (ET) (P) x LT BLUEGRASS 4017P M686569 (P)

Vendor: JM & GA WEEKS

Pedigree of resultant calves:

Purchaser / \$:

Lot 106

4 x A Grade Embryos

WINCHESTER QUIST Q2E (P) x SILVERSTREAM EVOLUTION E168 (P)

Vendor: JM & GA WEEKS

Pedigree of resultant calves:

SILVERSTREAM BRUMBY B89 083060089E (OAN B89E) (P)

SIRE: SILVERSTREAM EVOLUTION E168 (P) (OAN E168E)

SILVERSTREAM GLOSSY S120 083010120G (OAN W120E)

WINCHESTER BLIZZARD N2E (GAV N2E) (P)

DAM: WINCHESTER QUIST Q2E (P) (GAV Q2E)

WINCHESTER QUIST M1 (GAV M1E) (P)

Comments: Silverstream Evolution is arguably one of the greatest Charolais bulls, producing many record-breaking sale prices, show champions and flat-out good cattle. Winchester Quist Q2 is a quality moderate, soft homozygous polled female, that crosses very well with the Silverstream cattle. We flushed Quist to Evolution in 2022, which resulted in two bulls that are rising 12 months. They're exceptional, so we made the decision to flush her to Evolution again! Progeny sired by Silverstream Frampton & National have been impressive. **Embryos dispatched from Agri-Gene.**

50% guarantee if implanted by an accredited technician, within 12 months of purchase. Price per embryo.

4 x A Grade Embryos CHARNELLE DIGNA 175 (AI) (P) x PRO-CHAR DIAMONDBACK 113H (P) (R/F)

Vendor: GK & KA BLANCH

Pedigree of resultant calves:

PRO-CHAR RONALDO 53E PMC735785 (PED N5785E) (P)
SIRE: PRO-CHAR DIAMONDBACK 113H (P) (R/F) (OAC R2616E)
PRO-CHAR SALLY 8Y QPFC389270 (PED G9270E) (P)
CHARNELLE LOUIS (GKA L73E) (P)
DAM: CHARNELLE DIGNA 175 (AI) (P) (GKA Q22E)
CHARNELLE DIGNA 97 (GKA E55E) (P)

Comments: Digna 175 is one of our favourite donors. She has a beautiful nature, terrific milk and udder. You can expect the best from this combination.

Dam has been tested BPA Free. Price per embryo. 50% guarantee if implanted by an accredited technician within 12 months.

All Charnele embryos are stored at The Repro Group Allora, Qld.

Purchaser (121A) 2 Embryos / \$:

Purchaser (121B) 2 Embryos / \$:

Lot 122

2 x A Grade Embryos

CHARNELLE EMMA 5 (AI) (P) x SILVERSTREAM NATIONAL N40 (P)

Vendor: GK & KA BLANCH

Pedigree of resultant calves:

SILVERSTREAM JENSEN J19 083140019E (PED K19E) (P)

SIRE: SILVERSTREAM NATIONAL N40 (P) (OAN N40E)

SILVERSTREAM OPIE G8 083110008E (PED G8E) (P)

ELDER'S BLACKJACK 788B M358621 (OAC K788E) (P)

DAM: CHARNELLE EMMA 5 (AI) (P) (GKA R10E)

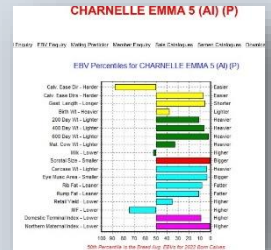

CHARNELLE EMMA (GKA E50E) (P)

Comments: The special packages keep on coming!

A Blackjack Emma daughter with no less than 12 traits in the top 10%, and then you have the powerhouse bull National to up the frame score a little. Both parents homozygous polled.

Sire & Dam have been tested BPA Free. Price per embryo. 50% guarantee if implanted by an accredited technician within 12 months.

All Charnelle embryos are stored at The Repro Group Allora, Qld.

Purchaser / \$:

Lot 123

2 x A Grade Embryos

CHARNELLE ELEGANCE 16 (AI) (ET) (P) x SILVERSTREAM NATIONAL N40 (P)

Vendor: GK & KA BLANCH

Pedigree of resultant calves:

SILVERSTREAM JENSEN J19 083140019E (PED K19E) (P)

SIRE: SILVERSTREAM NATIONAL N40 (P) (OAN N40E)

SILVERSTREAM OPIE G8 083110008E (PED G8E) (P)

CML DISTINCTION 318A MC351779 (OAC J318E) (P)

DAM: CHARNELLE ELEGANCE 16 (AI) (ET) (P) (GKA P11E)

CHARNELLE ELEGANCE 6 (GKA H45E)

Comments: Elegance 16 still is our highest ever selling female when she sold to Jon Weeks 4 years ago for \$14,000. She has all the volume and softness you could want and is out of what we class as our current best cow.

Sire has been tested BPA Free.

Price per embryo. 50% guarantee if implanted by an accredited technician within 12 months.

All Charnelle embryos are stored at The Repro Group Allora, Qld.

Purchaser / \$:

Lot 124

2 x A Grade Embryos

CHARNELLE ELEGANCE 8 (AI) (P) x ELDER'S BLACKJACK 788B (P)

Vendor: GK & KA BLANCH

Pedigree of resultant calves:

GERRARD PASTOR 35Z MC347921 (OAC H7921E) (P)

SIRE: ELDER'S BLACKJACK 788B (P) (OAC K788E)

SVY STARTSTRUCK 8X FC382684 (OAC F8E) (P)

WCR SIR FA MAC 2244 M234430 (OAU B2244E) (P)

DAM: CHARNELLE FRIESIA 5 (AI) (ET) (P) (GKA H41E)

PALGROVE FRIESIA 19 (PK Y224E) (P)

Comments: Check out the photo left. This is Rafa – a full sibling to these embryos. He was 18 months when he sold at our bull sale in 2021 for \$14,000. Sire & Dam are Homozygous Polled.

Dam has been tested BPA Free. Price per embryo. 50% guarantee if implanted by an accredited technician within 12 months.

All Charnelle embryos are stored at The Repro Group Allora, Qld.

Purchaser / \$:

Lot 128

2 x A Grade Embryos CHARNELLE FRIESIA 5 (AI) (ET) (P) x PALGROVE JUSTICE (AI) (P)

Vendor: GK & KA BLANCH

Pedigree of resultant calves:

SILVERSTREAM EVOLUTION E168 083090168E (OAN E168E) (P)
SIRE: PALGROVE JUSTICE (AI) (P) (PK J603E)
PALGROVE AMY 36 (PK E479E) (P)
WCR SIR FA MAC 2244 M234430 (OAU B2244E) (P)
DAM: CHARNELLE FRIESIA 5 (AI) (ET) (P) (GKA H41E)
PALGROVE FRIESIA 19 (PK Y224E) (P)

Comments: We have used a lot of different sires over this cow H41E, and nothing disappoints. This time Justice will add grunt and progeny; will be Homozygous Polled.

Dam has been tested BPA Free. Price per embryo. 50% guarantee if implanted by an accredited technician within 12 months.
All Charnelle embryos are stored at The Repro Group Allora, Qld.

Purchaser / \$:

Lot 129

2 x A Grade Embryos CHARNELLE FRIESIA 5 (AI) (ET) (P) x FERNVALE MONTY (AI) (FEN M30D)

Vendor: GK & KA BLANCH

Pedigree of resultant calves:

GUNNADOO CHAS (GN1 C221D)
SIRE: FERNVALE MONTY (AI) (FEN M30D)
BOTTLETREE CYNTHIA (SPA C2D)
WCR SIR FA MAC 2244 M234430 (OAU B2244E) (P)
DAM: CHARNELLE FRIESIA 5 (AI) (ET) (P) (GKA H41E)
PALGROVE FRIESIA 19 (PK Y224E) (P)

Comments: Monty was very influential in the Fernvale herd in a good way. Photo left is of Charnelle Quality, a full sibling to these embryos.
Dam has been tested BPA Free. Price per embryo. 50% guarantee if implanted by an accredited technician within 12 months.
All Charnelle embryos are stored at The Repro Group Allora, Qld.

Purchaser / \$:

Lot 130

2 x A Grade Embryos CHARNELLE ELLE (AI) (ET) (P) x FERNVALE MONTY (AI) (FEN M30D)

Vendor: GK & KA BLANCH

Pedigree of resultant calves:

GUNNADOO CHAS (GN1 C221D)
SIRE: FERNVALE MONTY (AI) (FEN M30D)
BOTTLETREE CYNTHIA (SPA C2D)
RC CHARLIE 0327 M672200 (OAU Y2200E) (P)
DAM: CHARNELLE ELLE (AI) (ET) (P) (GKA E10E)
MS CC JACKPOT 1107M55 F970558 (OAU X558E)

Comments: Photo left is of Elle 7 GKA Q29E, full sibling to these embryos. The progeny from these embryos will be maternal half siblings to sires: Louis, Panama, Neptune & Kooyong Power. They will also be a maternal half-sibling to Elle 4 N12E featured in lots 83 & 84.
Price per embryo. 50% guarantee if implanted by an accredited technician within 12 months.
All Charnelle embryos are stored at The Repro Group Allora, Qld.

Purchaser / \$:

Lot 131

2 x A Grade Embryos CHARNELLE DIGNA 91 (AI) (ET) (P) x FERNVALE PRIME MOVER (AI) (ET)

Vendor: GK & KA BLANCH

Pedigree of resultant calves:

FLEETS RASCAL MF0009091 (IAE F6170F)
SIRE: FERNVALE PRIME MOVER (AI) (ET) (FEN P25E)

WATERFORD (P) (R/F) WETX1E (P)
WATERFORD ARMANI A23E (P) WETA23E (P)

Comments: A Rare opportunity to purchase genetics in our most exciting female. Waterford Marshmallow who is arguably one of the best heifers we have produced. Feminine, powerful, exceptionally correct and so much softness and capacity. She had a strong show career including, 2017- Junior champion Heifer Charolais National Show Junior champion Royal Melbourne show, Junior and supreme interbreed Champion for multiple regional shows attended in Victoria. Rarely do these show heifers go on to be great co but she has grown to be an even more attractive cow. Maintaining her exceptional, shape, volume and temperament that is now complemented with a lovely udder and plenty of milk. Marshmallow's first heifer S9 is now in production at Waterford and we could not be happier, as she is displaying the growth, structure and beautiful udder of her dam. On inspection many astute breeders have even preferred her to her powerhouse dam with flushes also being sold in S9. A testament to the confidence we have in the quality and consistency of marshmallow and her progeny. A rare opportunity to purchase genetics in this proven super star cow family, coupled with the new exciting genetics of JEHU who is working really well with our Waterford females. Price per embryo. 50% guarantee if implanted by an accredited technician within 12 months. Sire has been tested BPA Free. Embryos stored with Doug Watson, Leongatha Vic.

Purchaser / \$:

The Ultimate Calving Pulley

Hi there, my name is Priscilla Evans – Gittany. I am a 4th year Veterinary Science student studying in Wagga Wagga, NSW. I make and sell calving pulleys to farmers, veterinarians and anyone who has anything to do with a difficult calving.

[Why would you want to buy a pulley?]

This innovative design will save you **time** and **money** whilst ensuring the **safety** of you, your team, and our beautiful beasts.

[Build your calving kit]

Enquire about **other great products** that go hand-in-hand with your new pulley, like **calving chains**, **lubricant** and **much more** or just update or add to your kit!

[Key Features]

1. Operates in **crush** or **paddock** situation
2. Weighs **less than 2 kg** and convenient for **one-person** use and storage
3. Provides a **mechanical advantage** over pulling by hand
4. Utilises **stainless steel components**

QUEENSLAND LIVESTOCK AGENTS ASSN LTD

STANDARD STUD STOCK - AUCTION TERMS AND CONDITIONS OF SALE

CONDITIONS

IMPORTANT NOTICE

All bids shall be treated as offers made upon

1. The highest bidder shall, subject to Conditions 2, be the purchaser provided that the vendor reserves the right to bid either by himself or through his agent or auctioneer and should any dispute arise among the bidders for any lot, during or immediately after sale of the lot, it shall be settled at the auctioneer's absolute discretion who may, should one of the disputants advance, put the lot or lots up again. The bidding from time to time shall be regulated by the auctioneer and no bid shall be retracted.
2. The sale will be conducted on a "Sale" or "No Sale" basis, whereby the lot for sale shall be knocked down to the highest bidder, but the sale will be subject to the acceptance of the highest bidder such bidder will have the right of first refusal of the lot at the vendor's nominated price for one hour after the lot has been passed out of the ring on the Terms and Conditions herein set forth in so far as they shall apply.
3. The details of the purchaser, the purchase price and the lot sold as recorded by the Sale Clerk for and on behalf of the auctioneer shall be equally binding on both purchaser and vendor.
4. The auctioneer expressly reserves the right, without giving any reason therefore to:-
 - (a) Refuse to acknowledge any bid;
 - (b) Withdraw any lot or lots before or during the sale;
 - (c) Exclude any person from the auction venue should it think fit.
5. Each lot in all cases shall be at the risk and expense of the purchaser, upon acceptance of his bid by the vendor or upon acceptance of the highest bidder's offer by the vendor whichever shall be the earlier.
6. Except as expressly provided in these Terms and Conditions of Sale no guarantee or warranty shall be given in respect of any lot sold under these conditions as made before or at the time of the sale, or from any circumstances of the sale, but in all cases where a guarantee is intended the same shall attach and be enforceable only if reduced to writing before delivery of the lot and signed by the vendor or by the auctioneer acting as agent for the vendor, and the absence of such writing shall be conclusive evidence in case of dispute that no guarantee, warranty or condition whatsoever was given or implied.
7. In the event of any dispute in respect to the sale of any lot:-
 - (i) The purchaser shall nevertheless be obliged to pay to the auctioneer the full purchase price and any other moneys or interest payable by the purchaser in accordance with these Terms and Conditions;
 - (ii) The vendor and the purchaser shall resolve the dispute between themselves;
 - (iii) The auctioneer shall have no liability or responsibility in regard to the dispute; and
 - (iv) No lot shall be returned to the auctioneer and the purchaser shall indemnify the auctioneer for all costs, expenses and damages which the auctioneer is put to or incurs by reason of the purchaser so doing.
8. The name of the vendor for whom the auctioneer acts is acknowledged to have been furnished to purchasers prior to sale and further particulars will in all cases be furnished to a purchaser if required. In the case of any dispute the remedy of the purchaser shall be against the vendor only and in no case or under any circumstances against the auctioneer who is to be regarded for all intents and purposes as agent for a disclosed principal.
9. (a) PAYMENT - Unless prior credit arrangements have been made in writing with the auctioneer the full purchase price for each lot shall be due and payable to the auctioneer in cash upon acceptance of the highest bid or the highest bidders' offer by the vendor and prior to delivery. Notwithstanding that delivery is given to or possession obtained by the purchaser or his representative prior to the payment of the purchase money in full the property in any lot which is sold shall not pass to the purchaser until the full purchase price and cheques, promissory notes, bills of exchange, acceptance orders or drafts given in connection with such payment have been paid and liquidated and until property shall pass, the purchaser shall hold such lot as Bailee, provided that in all cases should such payment not have been made and liquidated within 14 days of the date of the sale the auctioneer reserves the right to:
 - (i) Rescind the contract on behalf of the vendor and repossess and resell any lot;
 - (ii) Recover from the purchaser interest upon the purchase price at a rate per annum which aggregates the AMBA Bill Rate and two percentum. For the purposes of this condition, the expression "The AMBA Bill Rate" is the rate published by the Australian Merchant Banker's Association in good faith as at the date of the sale as its Bill Rate for 180 day Bills of Exchange expressed as a percentage per annum. If at any time the AMBA Bill Rate becomes unavailable for any reason, the auctioneer shall determine and advise the purchaser for the interest rate to apply for the purpose of this condition.
9. (b) The auctioneer is selling as the del credere agent of the vendor and the full purchase price of any lot sold shall be payable by the purchaser to the auctioneer and be fully recoverable by the auctioneer in its own name.
10. If the purchaser shall neglect or fail to comply with any of the within conditions any lot purchased by him may be immediately resold by Public Auction or Private Contract, with or without notice, at the risk of the former purchaser, who will be held responsible for all loss and without notice, at the risk of the former purchaser, who will be held responsible for all loss and expenses arising out of such resale, and shall not participate in any profit accruing therefrom.
11. Any vendor or purchaser removing the Sale Number from any lot after it has been sold will fully indemnify all affected parties for any loss, costs or damages should the lot be wrongly delivered.
12. The purchasers, if more than one, shall be jointly and severally bound by these Terms and Conditions and shall jointly and severally carry out and perform sale.
13. Any person who advances a bid on a lot shall do so on the expressed condition and understanding that should that person's bid be the highest bid and such bid is accepted by the vendor, then that person will be held personally liable for the price so agreed upon, regardless of the fact that that person may be acting on behalf of another party, either disclosed or undisclosed to the vendor or the auctioneer, provided however that this condition shall not in any way negate the vendor's right to claim against any principal and in such case the bidder's liability shall be construed to be by way of guarantee.
14. The auctioneer may, should it think fit, make arrangements on a purchaser's behalf, for the feeding, watering, trucking, shipping of and general attendance to any lot after sale but no responsibility will be accepted by the auctioneer and all such service will be at the purchaser's risk and expense.
15. No lot will be delivered until the sales invoice has been checked and signed by the purchaser or his duly authorised representative.
16. (a) Each lot in all cases shall be sold with all faults, if any, and excepting those conditions and warranties implied by the Trades Practices Act or any applicable State legislation which cannot be contractually these Terms and Conditions of Sale, any express or implied condition, statement or warranty, statutory or otherwise, is hereby executed. The auctioneer is not liable in respect of any error, misdescription or omission shall entitle the purchaser to annul the sale or reject the lot or claim any compensation, damage or abatement in price.
16. (b) Each lot will be sold subject to passing all veterinary tests required by the law of the State or country to which the purchaser intends to transport that particular lot such tests to be undertaken at the purchaser's expense and concluded immediately following the sale. In the event of a lot failing to pass these tests, the sale shall be null and void, any purchase moneys paid by the purchaser shall be refunded and property in the lot shall revert to remain with the vendor.
17. In the event of a dispute as to whether a lot is a breeder, such dispute shall be resolved by the vendor and the purchaser, and the auctioneer, while he shall use his best endeavours to assist, shall have no liability or responsibility in that regard. In the event that a lot is alleged or proved not to be a breeder, the purchaser shall nevertheless be obliged to pay the auctioneer the full purchase price and any other moneys or interest payable by the purchaser in accordance with these Terms and Conditions.
- 18 (a) Each lot shall be at the risk of the vendor in respect of any damage or injury, whether by disease, accident or otherwise, for the period that the lot be in the custody of the auctioneer, PROVIDED THAT the auctioneer, its servants, agents and employees shall use all reasonable care to protect and control the lot while it is in the auctioneer's custody AND PROVIDED THAT when a lot has been sold, it shall be at the risk of the purchaser in all respects.
- 18 (b) If any vendor brings to the premises any lot which is dangerous, or infected with any disease, that vendor shall be liable for all injury, damages, costs, losses or expenses which the auctioneer may sustain, incur or be put to either directly or indirectly as a result of the vendor so doing. The auctioneer reserves the right in its absolute discretion, to exclude from the sale venue or dispose of any lot which in its opinion shows signs of any disease, whether infectious, contagious or not, or of any serious fault or of being dangerous.
19. DELIVERY. Except at the discretion of the auctioneer, no lot shall be delivered to the purchaser unless payment of the purchase money together with any additional charges incurred including those expenses incurred by the auctioneer, pursuant to Condition 14 hereof, is first made by the purchaser to the auctioneer. Release of lots may be withheld by the auctioneer until personal cheques are cleared.
20. In these Conditions:-
