# CHILDRENS DANCE CLASSES

## ● Pre-School

We have parent and child classes available for children aged 2.5-4 yrs in Ballet, Street Dance and Creative Dance (a mixture of fun styles).

We also have a 'All-by-myself' Ballet and Creative Modern class for 3-4 yrs.

## ● Childrens Dance Classes

Classes are independently attended from 4-18 yrs of age. We have a vast selection of classes available including Ballet, Tap, Street, Musical Theatre, Contemporary, Just Dance and Jazz.

Classes are split via age groups. Anyone can join- beginners most welcome.

- Primary School classes
- High School/Sixth Form classes

It is best to seek advice for Graded Ballet and Tap sessions from Grade 1 + as you *may* need some previous knowledge. We call these classes 'ability dependent'.

- Ability dependent classes- ballet and tap from Grade 1 +. In general, beginners often work very well in Grade 1, but from Grade 2 + we would prefer to advise you of a good starting class to work on the fundamentals before jumping into a high level.
