SYLLABUS BALLET & TAP (ABILITY DEPENDENT)

Never too old to dance...

Prep, Primary and G1 Ballet and Tap are easy enough for new learners to grasp relatively quickly.

As we pass G1, it can be difficult for a 'late starter' as they will have missed fundamental steps and technique from an earlier grade.

Albeit, this does not mean you cannot start ballet or tap, but we do recommend for you to get in touch so we can advise you of a suitable session if you are aged 9 years +.
