

GYMNASTICS

Elevations Dance is proud to be affiliated with Defying Gravity Gymnastics Club, a partnership that seamlessly blends the disciplines of dance and gymnastics to enhance our students' overall learning experience.

This collaboration works exceptionally well as both arts share a focus on strength, flexibility, coordination, and performance.

By combining our expertise, we provide a comprehensive programme that allows students to develop a diverse skill set, fostering their growth and development in a supportive and dynamic environment

4-piece- bars, beam, floor and vault
