Dance Academy Leeds

Uniform 2020-2021

Uniform and personal appearance for class is of the utmost importance at Elevations Academy Leeds. [We expect a high level of personal grooming.](#)

For ballet classes, the correct leotard and tights are required and hair should always be in a flat classical bun. For other subjects, seek below the requirements.

We also have Elevations tshirts, hoodies, zoodies , onesies etc for you to mix and match, so you can still have your individuality, but be part of a well presented class.
