JUNIORS- TEENS- ADULTS

ARRIVAL & PICK UP TIMES ON THE DAY

All students performing at the CW will be required for rehearsal.

Please could you arrive at –

SECOND FLOOR BAR at the CW promptly at 9.30am.

Please do not arrive before 9.15am as I need my staff on site before the kids and they will be NOT be ready for sign in and to take care of your children until 9.20am onwards.

Rehearsal due to commence at 10am sharp.

Students are with us all day – **so please pack plenty to eat and drink.**

When rehearsal has finished- students will get chance to relax and eat lunch on site.

Show 1 will commence at 2pm. Finish time will be approx 3.30pm.

There will then be opportunity to eat and relax again... before show 2 at 5.30pm.

Show 2 finish time is 7pm.

Collection of students will be from SECOND FLOOR BAR for sign out.

When you arrive at the theatre- sign in is sorted by alphabetical surname. At the side of your name it will tell you what changing room you are in... and chaperones will be on hand to take you there. You will say bye to Mum or Dad at this point.

Should your child become ill during the course of the day, we have your emergency details on file you will be contacted.

TICKETS

I believe the 5.30pm show is nearly nearly nearly sold out. Therefore if you have any last minute purchases I would suggest to ring the box office at Carriageworks asap as what they have left online now doesn't appear online! I believe there are quite a few seats left for 2pm show.

COSTUMES

Final bits been handed out this week.

Please take time to check the list to see what you may need to provide yourself (shoe colours, socks, tights, crop tops etc) so that we don't have any issues on the day.

Checklist is at the end of this letter. **Also- if you have a balance remaining please pay up asap.** Thanks.

HAIR

Two french plaits with centre parting. Black elastic bobbles on ends (or whatever matches hair shade).

MAKE-UP

Girls Only- Red cheeks, blue eyeshadow, mascara/eyeliner, black flicks, red lipstick. Make-up is a tricky subject- the strong stage lighting (and especially for the video recording) will 'blank out' your face. Plus- it's showtime, and dancers wear make-up- we're not going shopping or to the movies! I know there are many opinions – that's fine... whatever you want. I am just letting you know why.

PROGRAMME

There is a programme on sale on the day in the foyers of the theatre priced at £1.

A nice keepsake.

PHOTOS

Antonella Doulou has kindly offered to take some photos throughout our rehearsal. These will be available on our FB page for you to download post-show. Thank you Antonella.

DVD

There is a DVD of the show which will have the 5.30pm Carriage work show on it, and also the 11am, 1pm and 4pm shows of the Northern Ballet day. Videographers are very expensive – and clearly we have 2 days for him to do- as such are DVD's priced at £13.00 but will contain everything which is great news for siblings and multi-show-kids! DVD's can be pre purchased with Maureen at reception and also ordered on either show days. DVD's swiftly arrive a few weeks after for collection in class. Great memories to treasure.

We have DVD done as sadly due to laws with regards to child protection and theatre rules there is no personal photography and video recording allowed in their auditoriums. I am sure you are aware of this rule wherever you go theatre-wise!

BUS/CAR/TAXI/PARKING

I would recommend Woodhouse carpark which is fairly nearby. I suppose it's even cheaper to get a bus into town, or a UBER.... but I know some will ask where I recommend to park?!

CHECKLIST FOR SHOWDAY

LABEL EVERYTHING including shoes – I say this every year- and still we have loads of people who lose things unlabelled.

Any items unlabelled will be thrown away.

Any labelled items will be brought with us and returned to the rightful owner.

NO NUTS. We have children with nut allergies.

It is for your knowledge that we have ample members of staff who are first aid trained, and we are lucky to have a few doctors on site in the form of parent volunteers. Invaluable helpers.

1. Medication (inhalers) etc
2. Enough food/drinks to last the day.
3. A carrier bag to pop your rubbish in.
4. Your show costumes.
5. Perhaps a little spare make-up incase you need a top up. Your chaperone could help you.

SHIMMER TIGHTS

If your child has been asked to get shimmer tights or stirrup shimmer tights- please ensure they are TOAST and not LIGHT TOAST. They are like £3-£4 online... here's a link to show you http://www.ebay.co.uk/itm/Silky-Childrens-Girls-Stirrup-Foot-Shimmer-Dance-Ballet-Tights-/282344968877?var=&hash=item41bd1252ad:m:miLW_FVpMUunn6aH2ALP2kw

We also sell them with Maureen, and we currently have a selection of sizes in stock for ease.

ELASTICS AND PROPS- AND OTHER COSTUME BITS AND PIECES....

If you are in BUGSY MALONE BAD GUYS- you will need to bring along a newspaper with you on the day please.

All hats (bar Now I'm following you) will need elastic attaching please- so this includes Buggy Malone Bad Guys and Boogie Woogie Bugle Boy.

Boys- Ted, Harris, Kai, Robert- I've sorted you guys- will be in touch.

Tuesday sessions where we had just taken deposits- relax- you don't owe anything else- the five pounds website has been amazing this year!

The oversized vest tops (grey with black edging) for Tuesday street at 1630- please ensure girls are wearing a black crop top underneath please.

All tutus- no bras visible. Thanks.

Costume Checklist

It would be really helpful to have everything for 1 dance in one 1 labelled bag- this way if your child is involved in a quick change it's easier for us to get the bits together that we need.

So if they were in 5 dances- then 5 labelled bags clearly stating name and dance on the front of it. Gift bags or paper take-away bags are quite good for this- the sort you can write on and are plain.
