

We are a non-profit organization without political affiliation that is developing a program for multiple organizations to use to assist registered voters in Bell County who have difficulties in getting to a voting station to vote in this coming November national election. www.standupvotebellco.com

We are looking for:

- **Organizations** to serve as hub locations to co-ordinate the scheduling and arranging for the transportation of voters needing assistance in getting to voting locations.
- **Volunteer Schedulers** will do the scheduling of the transportation for voters requesting the service
- **Volunteer Drivers & 2nd Riders** will be able to transport voters to an appropriate voting location
- **Hub Coordinators** will be responsible for developing and operating the program at a Hub Organization

The program will operate during the upcoming Federal & State election open voting period October 19 – 30, 2020 and election day Tuesday November 3, 2020.

The program will also assist those meeting the requirements to obtain an absentee ballot and to register for voting.
