SMOOTHEST AUTOLOADER SHOTGUN ON THE MARKET

The ETHOS SuperSport combines the excellence of our popular ETHOS Sport model with a new, lightweight, weather-resistant carbon-fiber finish for unmatched performance in any weather. The synthetic stock accommodates our Comfort Tech 3 recoil-reduction system that teams with a ported barrel to mitigate recoil and muzzle jump. Five choke tubes included to facilitate quick changes in the heat of competition.

Tickets are \$100 each. Do not have to be present to win, drawing will be held at the WWK Sporting Clays tournament on November 10th.
