PRESS RELEASE  
August 29, 2013

## KING AND COMPANIES WEBINAR SERIES TO PROVIDE INFORMATION ON UPCOMING HEALTHCARE REFORM

King and Companies, an Employee Benefit Firm and Independent Insurance Agency, is pleased to announce that Sandra Schlaefer, RHU, has developed a webinar series revolving around the upcoming changes to Healthcare and Health Insurance. The webinars will be available on-demand for the viewer's convenience and have a nominal fee of \$8.99 each.

“With an ever evolving legislation, benefit programs will change in the future”, states Sandra Schlaefer, RHU. Healthcare reform will impact every aspect of healthcare coverage in the United States and having the right information is key to navigating through these changes.

This series begins with the overview webinar “Healthcare Reform: What Does It Mean To You And Your Family?” In this 25-minute presentation, the viewer will be guided through an overview of the upcoming changes, benefit options, pricing structures and how to obtain insurance through the Insurance Exchange.

---

King and Companies' mission is to enhance their clients experience by providing the Human Touch to Insurance and Financial Services through innovative programs for employers, employees, individuals and seniors.
