## ◆ Pastor's Letter ◆

Dear Members and Friends of B.C.U.M.C.

I would like to remember the beginning of **HOPE HOUSE** since it has been 5 years now in this month. It opened in October, 2011. Saint Vincent DePaul congregation came to us with the idea of working together to distribute food to the different communities in the area. After a year, we took over the operation.

Before it actually happened, the church had gone through a period of discernment on what God wanted us to do, especially with the small white house on our property. It had been rented out to people who wanted. But there had been some ongoing problems that challenged the church financially and relationally. It posed a strong spiritual question: What is the best way to use the property to fulfill the mission of God in this community? After some time gone with prayers, the opportunity knocked the door. When the invitation came from Saint Vincent DePaul, the congregation was ready to accept it as our mission – as the answer to our prayers. For this decision, we had to give up monthly rental income (which was sizable). We had to make a bigger pledge for the budget in the coming years!

But now we would all agree that that decision was one of the best decisions we have ever made. As of today, we have registered more than 900 families, serving around 1,300 individuals each month who come from Brentwood, Oakley, Byron, Knightsen and Discovery Bay. Our clients come in once a month to get a bag of non-perishable food items. They also can get a bag of groceries once a week. HOPE HOUSE has expanded its ministry to opening a room full of donated clothes, toys, books, etc.

We have more than 20 volunteers who serve HOPE HOUSE and its families every week. They are so dedicated and faithful... They often extend their hands for comfort and hearts for prayers. We are so grateful that they are there as the body of Christ. We are thankful especially to Robin Vaughn who have been there from the day one and served as its director. She never forgets to bring her smile and shoulder to love each and every one of those who enter into HOPE HOUSE. THANK YOU, ROBIN AND ALL THE VOLUNTEERS!

Let us continue to walk the same walk in many coming years, offering the following gifts to our neighbors!

H - Hope

O - Opportunity

P - Prayer

E - Encouragement

*May you be filled with these gifts of HOPE through the refreshing power of the Holy Spirit today and every day!*

Your Pastor, Hyesung Lee

### ***BCUMC STRING BAND***

*Can you hear the strumming? The singing and humming?*

It's the new BCUMC STRING BAND. We are meeting Fridays at 10:30 am -- one-hour sessions -- in the church fireside room. Led by Joe, we are focusing on improving our basic playing skills -- and having fun learning to play as a group with church friends. In time we will be able to add to the music ministry for our church family.

At this point we are 6 guitar players and 2 on ukulele - making a joyful noise! If you are interested and new to string playing, can you still join? Yes -- and it may take some playing catch-up on your own -- to learn basic chord patterns. What is needed is interest and willingness to commit to a modest amount of daily practice -- and an instrument to play.

Also, if you have a guitar, ukulele, etc. in your closet not being used and would feel okay loaning it to someone who needs an instrument, please let me know.

We are always looking for new volunteers to join us at Hope House, we invite you to stop by any Monday or Wednesday between 9am and Noon. We would be delighted to show you around and see what it is we do. We sort clothing, hang clothes up . . . if we get bulk food such as rice or beans we need help bagging it . . . there is something for every energy level. Feel free to stop by any time we are open, and as always thank you for your continual support. If anyone wants to bring us any kind of soup, it would be greatly appreciated.

God Bless Robin

## LOVE NOTE FROM A TREE

Last week I went out hiking  
In the Contra Loma hills  
I saw three persons only  
And a bunch of frisky squirrels.  
The deep blue sky was filled with clouds  
That reminded me of sails  
The valley was alive with God's quiet presence  
As I followed the winding trails.  
Along the way I saw a tree  
And though I didn't know its name  
Somehow it seemed to call to me  
Though there were many quite the same.  
It didn't say "Hey, look at me!  
Now tell me I am grand!"  
It wasn't seeking notoriety  
Or trying to get the upper hand.  
Through the seasons slowly growing  
Whether anyone might see  
Giving praise to the Creator  
By being what it's meant to be.  
And it got me to wondering  
As I went hiking on my way  
To do something new - where God has placed me  
A little more each day.  
To grow in faith through the seasons  
Discover more what I can be  
And it made me smile - to think maybe God  
Was talking to me through that tree.

## Contrary to the saying: One person's trash is *not* always someone else's treasure.

Many mornings, volunteers at H.O.P.E. House on Pine Street arrive to find used items and bags of trash left on the porch, and broken TVs, sofas, and other unusable household goods are left outside along the Midway.

It has become equally common to find bags of unusable clothing, shoes and household items left on the porch of the church, near the garbage bins outside and also in Mercy Hall where we originally set up this area to accept donations for specific ministries. Once H.O.P.E. House became a successful ministry, we allowed Mercy Hall to be used as a convenient means to leave donations for H.O.P.E. House.

Wednesday September 21<sup>st</sup>, Mercy Hall was disassembled in an effort to re-establish the original intent for the other ministries served by UMW, the Youth or other occasional causes to receive donations. For a temporary time period Mercy Hall will not be a place for accepting donations of any kind. After a short time, we will transition Mercy Hall back to the purpose it was set up for originally. Stay tuned for future announcements.

It is important to make it clear that H.O.P.E. House is still accepting donations. However, H.O.P.E. House will only accept donations during the days and hours they are open which are Mondays and Wednesdays from 9:00am to Noon. H.O.P.E. House ministry is a food pantry and clothing closet only. They do not accept furniture, appliances, household items or electronics. Signs will soon be posted around H.O.P.E. House to deter people from leaving donations when H.O.P.E. House is closed and to warn people that our property does not permit dumping of any kind.

On a final note, many rooms (especially the nursery and the kitchen) have been a common place for people to leave additional donations. The Trustees would like to inform all persons that they have unofficially begun a new policy. The policy states that all donations assumed to be useful in or around the church must be approved by the Trustees first. Please do not leave toys in the nursery or appliances, coffee pots, vases, bowls, etc. in the kitchen. The function and design of each room of the church is a matter for the Trustees to discuss and therefore decide if an item fits the function and design of each room.

Your cooperation and your generous good intentions are much appreciated. If you have a suggestion or item you think would benefit the church please contact the Trustees via our website under the **Contact Us** tab. Once there you may send a message using Debra's e-mail and she will present it to the Trustees at the next Trustees meeting. If you do not have access to the internet you may call the office at 925-634-3093.
