A Pastor's Prescription for What Ails You

This could be the start of something big.

There are no major spiritual days in June biblically. And rarely do humans come up with something worthy of saying Amen to. But then sometimes we do get it right.

Father's Day

Father's Day was inaugurated in the United States in the early 20th century to compliment Mother's Day in celebrating fathers, fathering, and fatherhood. Father's Day was founded in Spokane, Washington at the YMCA in 1910 by Sonora Smart Dodd, who was born in Arkansas. Its first celebration was in the Spokane YMCA on June 19, 1910. Her father was the Civil War veteran William Jackson Smart. He was a single parent who raised his six children there. After hearing a sermon about Anna Jarvis on Mother's Day at Central Methodist Episcopal Church in 1909, Sonora told her pastor that fathers should have a similar holiday honoring them. Although she initially suggested June 5, her father's birthday, the pastors of the Spokane Ministerial Alliance did not have enough time to prepare their sermons, and the celebration was deferred to the third Sunday of June.

In 1957, Maine Senator Margaret Chase Smith wrote a proposal accusing Congress of ignoring fathers for 40 years while honoring mothers, thus, "[singling] out just one of our two parents." In 1966, President Lyndon B. Johnson issued the first presidential proclamation honoring fathers, designating the third Sunday in June as Father's Day. Six years later, the day was made a permanent national holiday when President Richard Nixon signed it into law in 1972.

Thank God someone decided to do the right thing to honor the two most important people in our lives before our spouse and children come along. They should be at the top of the list or should be forever.

This was a great thing that took the efforts of some dedicated folks to give the us both of these annual celebrations. However, the proclamation for this was written a long time ago by the hand of God.

Exodus 20:12

Honor your father and your mother, so that you may live long in the land the LORD your God is giving you.

Music Ministry News

Music: As we move forward into the summer, we are continuing with the early service inside with a small choir and the later service outside with more of the choir. There is usually a small orchestra group that plays the pre-service music at the outside service. The choir runs through the anthem just before the service, and we are planning a Saturday morning practice. We will all continue to stay up-to-date on any changes.

This month I thought I would share some thoughts about music, specifically hymns. I have always said that the words are so very important in the hymns, and even if you don't sing, you should read the words. Over the years, when I would visit another church, I tended to take a little time to look through the hymn book. With the Bible being first, the hymnal is a very important aid to the worship service. I recently read a thought by a publisher of hymn stories that said; "Hymns are a rich deposit of Christian devotion, echoing the adoration of Heaven and uplifting the faithful on earth who make their discovery." He also suggested a few simple suggestions. The next time you open your church hymnal (or look at the copy of the words in the bulletin) to lift your voice in praise and take a few extra moments to note thoughtfully the words you sing. Make an effort to learn something about the inspiration for the writing of the hymn. The hymnal can also be an aid to one's own daily personal devotional life.

"Hymns breathe the praise of the saints, the vision of the prophets,
the prayers of the penitent and the spirit of the martyrs.
They bring solace to the sad, assurance to the perplexed,
faith to the doubter and comfort to the oppressed.
They span the centuries of history and bridge the barriers of denominations.
Study them to be pure in heart,
Sing them to be joyful in spirit,
Store them in the mind to possess a treasury of worship." from Kenneth Osbeck

"Praise ye the Lord: for it is good to sing praises unto God; for it is pleasant; and praise is comely," (**Psalm 147:1**)
Melody Evans

Worship: (The committee will not meet again until the fall.)

We are revamping the Bereavement group and need some volunteers. We are putting together a plan to provide a meal for a family the day of the funeral. The plan is to have teams with a captain that fixes, delivers, and serves the food as needed. The teams will rotate, and the families are provided with a meal either before or after the funeral. In the coming weeks as we make these decisions, please consider assisting with this much needed ministry.

A Pastors Prescription - Continued from page 1.

Yet it took thousands of years for us to set a special day aside for them. And even with the two days there are still far many who don't truly honor them. Yes, as with all things, there are good and bad. But I assure you that there are far more great, loving, kind, caring parents than there are bad ones. We have a tendency to look upon people who are older as being less aware, less capable, less hip and maybe so. But if the older generation had not invented the tube radio, we would not have the web. If they had not invented the tube television, we would not have Zoom. They took us off the horse and put us in cars. They cut our travel time by putting us in the air. But even without all of this they gave us the most important thing, LIFE. I was a typical boomer and did not realize my dad was a genius and my mom was a saint until after they had gone to be with God. Don't make that mistake. Stop what you are doing and take the time to listen. They have libraries of knowledge. Honor them every day before its too late. They have remedies for what ails you that work, FDA approved or not.

Happy Father's Day,
Rev. Ed

Hey Amplified!

Summertime is officially here! We have had a crazy school year, but God has carried us through the last school year. We have continued to grow and thrive in the midst of all we have faced and been challenged by. I am so proud of each of you for all that you have accomplished and done over this past school year. I want to thank all of you for your participation in our Youth Sunday this past month! Your Trinity church family and I couldn't be more proud of each of you! This summer we will have more fun activities and passion projects than last year! I am looking forward to us sharing times of fellowship on outings that include paintball, Carowinds, amusement parks, a Lock-In, and more! We will be sure to share all events planned with you all as we proceed through the summer. If you have any questions throughout the summer, please feel free to contact me at (843) 742-3221 or at amplifiedtuncyouth@gmail.com. As this season comes to a close for us, God reminds us that there is another season waiting for us just around the corner. However, even as these changes continue to take place for us, we are reminded in **Hebrews 13:8** that "Jesus Christ is the same yesterday and today and forever."

Many Blessings!!!

Matthew Daniel

TRINITY UNITED METHODIST WOMEN

The organized unit of United Methodist Women shall be a community of women whose purpose is to know God, and to experience freedom as whole persons through Jesus Christ; to develop a creative, supportive fellowship, and to expand concepts of mission through participation in the global ministries of the church.

Around the Circle(s)

Love Circle will have its traditional Brightwater luncheon on June 8th. We will meet at 11:30 am to say our hellos and then go to the dining room to finally gather and enjoy one of our favorite places.

Susanna Wesley Circle met on May 4th and what a joy it was to see one another again!

We collected many boxes of crayons to be included in the Christmas care packages for the children of deployed military through one of our adopted missions, Support Military Families.

Members agreed to “adopt” the garden space on the side of the main building that faces AG Greene. Under the leadership of Janis Ortmeyer, we planted flowers, fertilized, and watered them. The next time you are at church, take the time to look at the garden. Especially note the ones planted in the form of a cross.

Susanna Wesley will meet again on July 6th to make the Mobile Meals’ favors for September’s delivery. Our regular meetings resume on September 7th, God willing.

Dot Jordan Circle enjoyed fellowship with a lunch on our regular meeting day in May. We look forward to having our regular meetings in the fall.

Trinity UMW wishes you a blessed summer!

Mission Ministry News June 2021

Back to School Shoes – In Mid-June we will be kicking off our fundraiser for Back to School Shoes. This money will go to North Strand Helping Hand who will provide a \$40.00 gift card to a local shoe store for children who might otherwise not have new shoes for school. I'm sure you all remember, as I do, the thrill of having new shoes for school. Please help us provide for as many children as possible.

Yard Sale – The yard sale that was held on May 15th was a huge success. Including ASAP, we had 12 vendors. All vendors reported good sales. ASAP made over \$1000.00, which included the fees for renting a space. Thanks to all who donated items for ASAP to sale.

Lions Club Eyeglass Drive – You will soon see boxes in the church for the Lions Club. These boxes are for you to put used eyeglasses in so that the Lions Club can get them to people who need them. May is the month that they have their major collection effort for used eyeglasses. We will be leaving small boxes up year around so that you can drop off used eyeglasses any time during the year.

ASAP is still going strong. We are currently serving 60 veterans. All food donations are welcome, but jelly is always needed. Of course, we will happily accept monetary donations as well. A special thank you to the ASAP volunteers who have worked every month since March 2020. Many others wanted to work, but because of health concerns, we asked them not to risk it. We are hoping to return to our normal distribution process by September, but will decide as that gets closer. The first ASAP committee meeting since COVID started will be on July 7th at 1:00 pm in the Fellowship Hall.

Mobile Meal Dates for 2021 - John Flynn and his team are doing a fantastic job. The dates for 2021 are July 5-9, September 6-10 and November 8-12.

Master's Meal – Master's Meal is operating as usual with the exception that they are maintaining social distancing. If you are interested in helping with this mission, please contact Linda Jones (864-680-3994).

American Flags – If you have an old or tattered American flag that needs to be disposed of properly, you can drop it off at the church.

Pop-Tops - We are still collecting aluminum pop-tops. We don't get much for them, but what we do get is donated to the Ronald McDonald House. If you want to help, start saving the pop-tops and every few months bring them to the church and leave for Frank Autry. Thanks to those who have been leaving them for me.

All **Mission** and **ASAP** meetings have been cancelled until at least **July**.

If you have any questions or suggestions for your Mission Committee please contact Frank Autry at 843-685-1190 or frank.autry@hotmail.com.

News from the United Methodist Men

TUMM is an organization that involves the Men of the Church growing in a relationship to Christ by supporting the Local families in our community and missions abroad.

May was a very active month for our Men's group! Our breakfast meeting was enjoyed by everyone attending, getting the latest information on the upcoming Hurricane Season presented by one of your favorite meteorologist, Ed Piotrowski of ABC 15 News.

Mike Walters, Tom Kesler and I organized the design and upgrade of the cooking space to help accommodate a larger number of Boston butts. The Boston Butt Cook Off was a big success with us cooking all the Boston butts we could buy totaling 136. They were all spoken for. Thank you, all our volunteers, for making this a success. Thank you, everyone, for your donation to help support our local missions.

June will be an active month for our men's group!

June 20th is Fathers Day! We will have our monthly Men's Breakfast Meeting at 9:35 am.

A select few will be providing the congregation with our message at both the 8:30 am and 11:00 am services, honoring our dads.

We encourage each and everyone to keep reaching out to your neighbors and friends. Invite them to join us here at Trinity UMCNMB.

God gives us mouths and ears to share His word and to listen to those needing to hear it.

Great things are done by those willing to do it.

All Nations Café

All Nations' Café for International J1 Students

The All Nations' Cafe for the J1 students will begin on June 15th. The Dot Jordan Circle from Trinity graciously agreed to provide dinner. We have around 20 to 25 students in the NMB area at present, who are working at Wal-Mart plus a second job. We cannot really predict how many we will have. This feels like our first cafe night four years ago. After the first two hours, we did not think we were going to have any students. Then several students ended up being 65 each Tuesday night by our second year.

We are hoping that students will learn about our culture, our people and our belief and faith in God. Some are already Christians, but many are Muslims, Hindu and others. They learn this through our volunteers, plus they teach us many things.

On Wednesdays outings are being planned, such as a trip to Charleston, boat excursions, Huntington State Park, Market Commons, etc. We will need volunteers for transportation if you are interested in helping.

The airport is still on hold. The airport does not want one-on-one contact but they do want people there to meet the students! So we do not know exactly how this will happen although this is a very important part of this mission.

The bike rental program has been our biggest challenge. Our supply has been sitting for the past year, developing problems. We have asked for help to work on the bikes, but at this point we would appreciate any donations, used bikes, new bikes, or donations toward buying new bikes.
