

We had lots of Fun...!!!!
Look at us dressed up for the Halloween.

Here is the Newsletter for the month of October 2020 – 2021. The children are settled and happy in the learning environment and they are paired up well with the teachers. The month of October came up with lots of excitement for us. We celebrated Halloween, dress up party was organized for our little ones across the Centre, ASD, ECCE and the creche in their play pods. Teachers and kids dressed up in costumes of pumpkin, Fairy, Batman etc. we all enjoyed the treats and had lots of fun. Children learnt letters, numbers, shapes, etc. We have new roles and new staff joined the team this month.

We are learning about shapes and colours

Taranpreet Kohli
I am Highly enthusiastic and motivated individual. A graduate in M.Sc. Applied Behavior Analysis from Trinity College Dublin. I am practicing psychology for 4 years in different fields and areas to be able to help and learn. I believe in positivity and I grow with the mantra of spreading it all around.

Reading Time sparks the child's imagination and stimulate curiosity, helps in developing social skills and communication skills.

We are delighted to introduce you to our Assistant Manager of HOPE, Inchicore **Mr. Taranpreet Kohli**, who started his role on 5th of October 2020. We wish Taran all the very best!!

We introduce you to our new Staff Ms. Doris Osaghaede, she joined the team on 05th of October as ECCE teacher. We wish Doris best of luck..!!

STAFF CPD TRAINING

We had our monthly CPD training online on Microsoft Teams. The training was on Team building.
