**Helper:** help assist in games, lights and production

#### **The Well (9th-12th Grade)**

**Small Group Leader:** Follow up with a discussion on weekly message with a small group of students

### Parking Lot Attendee

Assist our first-time guests in parking, directing them to the visitor and handicapped spaces. To assist in traffic arriving and leaving our campus. The main point to this is making them feel WELCOME and send them off!!! Ability to SMILE and WAVE is required. Time requirement is Sunday before and after the service.

## First Impressions

**1st Time Greeter/Guides**- Welcomes 1st time visitors and walks them through (depending on makeup of family, i.e. Kids or no Kids) Muumbaland, Upstreet, Encounter, restrooms and auditorium. Meets them back at Guest Services to get a little information and give them a gift.

**Front Doors** - Welcomes people coming in our front doors and may have to stay out the entire service and is at the door after the service to wish them good day/week.

**Auditorium Main & Side Doors** - Welcomes everyone as they walk into auditorium and may have to stay out entire service. At end of service, opens doors and wishes them a good day/week.

**Guest Services** - Greets anyone, before and after service, that has a question regarding sign ups for events or serving and First Time Guest that have identified themselves as such.

**Next Steps** - Greets anyone that has a question relating to:  
(must go through training)

Faith

Baptism

Groups/Connecting

Serve

## Property Team

**Cleaning** - cleaning the church bathrooms and common areas, typically on Saturday mornings. You must be able to use a vacuum cleaner and mop.

**Signs/Banners out and in-**sets up church signs on the highways and in front entrance of church. Truck/Van or SUV needed

## Production Team

**Lighting** - Run lights in the main service. No experience required and training is provided.

**Media** - Operating computer equipment for Sunday morning service (showing the words and video on the big screen). Mac and ProPresenter knowledge a plus. Basic computer skills are all that is required. Training provided. Please ask for more details.

**Video** - Video and record the main service. No experience required and training is provided.

**Editing** - Video Editing has more to do with the transfer of footage from camera to the hard drive and then uploading it to the website. This is done Sunday afternoons after the service. Time frame is flexible. Training provided but must have a working knowledge with Mac computers.

## Communication Team

**Website Management:** Assist with updating website and work with ministry leaders in developing up to date and exciting web pages. Flexible schedule. Must have experience with web design or web management.

## Community Groups

**Facilitators** (TRAINING REQUIRED)-facilitate connecting people and guiding them through a study.

**Hosts** - providing a warm and welcoming home for our community groups to meet in.

## Worship

**Instrument** (BY AUDITION) and **Vocal** (BY AUDITION)- leading worship as part of the worship team. Must be able to participate in weekly practice.

**Security/Medical Team** - Monitor halls and perimeter for safety concerns
