| On Sept. 22, 2023, I was dispatched to 800 Rabbit Branch Rd in reference to an altercation between to people. Upon arriving at the residence, I began speaking with Ms. Maggie Eldridge. Ms. Eldridge explained that she was out washing her car when she noticed someone walking up towards her house. Ms. Eldridge explained that she went to put her dog away because she was unsure of how the dog would react to the person. Shen went on to explain that when she came around from the shed, she was met by a woman that started yelling and screaming at her. Ms. Eldridge explained that she was scared and felt like she was cornered and was worried that if she tried to go inside that the women would follow her into her house. Ms. Edridge explained that the women eventually walked off and she was able to go inside and call 911. Ms. Eldridge explained that the incident had never became physical between the two of them but because the women was yelling and cussing and moving her hands a lot, she was not sure what was going to happen. While talking with Ms. Eldridge I asked if she knew who the women was, and she said she was pretty sure it was the women that lives at 724 Rabbit Branch Rd. I asked Ms. Eldridge if the women could have been Ms. Bonnie Brown and showed her a picture and she identified Ms. Brown as the women that had approached her. |                  |                                               |                           |                                |            |

*On 09/23/2023, I spoke with a Mr. Danny Syler. He stated that about three weeks ago, He was working with a Mr. Oscar Prickett at his sister's house on 416 Mt. Olivet Rd. Before leaving, He asked Mr. Prickett to take his chainsaws, a Poland Pro ( \$250.00) and a Riobe (\$250.00), to the building in the back of the property and leave them in the back of the room. Mr. Prickett did so. On 09/23/2023, Mr. Syler went to get the chainsaws and noticed they were missing. When he asked Mr. Prickett what happened to them, He stated that he had no idea. Mr. Syler stated that Mr. Prickett was the only person that knew the chainsaws were back there. Nothing else in the building was taken. Mr. Syler could not find the serial numbers for both chainsaws. All did occur in Bedford County.*

*On 09/23/2023 I was dispatched to 418 Gregory Mill Rd. for an unwanted animal on the property. Upon arrival I spoke with Shelli Mehaffey. Mrs. Mehaffey stated that the neighbor's dog has been coming on her property, messing with her animals, and has been on her back porch growling at her. Mrs. Mehaffey stated that she has talked to animal control, and they advised her that if the dog was on her property being threatening or attacking her animals, she could shoot the dog. Mrs. Mehaffey stated that she didn't want to shoot anyone's animal that she just wanted the neighbor to keep his dog off of her property. Mrs. Mehaffey stated that the neighbor also stated that if she shot his dog, he had beat a murder charge before. Mrs. Mehaffey thought that may have been a threat and wanted to make a report about the incident. I did go to*

*On Sept. 23, 2023, I was dispatched out to 101 Hayfield Lane in reference to someone making claims that they were going to set a house on fire. Upon arriving in the area, I saw Mr. Thomas Jason Sanders walking down the road. After determining that Mr. Sanders was the individual making the claims, I attempted to make contact with him. Mr. Sanders began to lower himself to the ground then took off running. Dep. Vaughn and I followed him through a yard and attempted to get him to speak with us. Mr. Sanders continued to refuse to allow us to get close to him. Mr. Sanders eventually threw a lighter at me before jumping a fence into the next yard. I followed Mr. Sanders while Dep. Vaughn went to his car to circle the block. Mr. Sander was eventually detained without incident and transported back to 101 Hayfield Lane so I could continue my investigation.*

*After arriving back at 101 Hayfield Lane I began to speak with Mr. Thomas E. Sanders, Mr. Thomas Jason Sanders's father. Mr. Sanders explained that his son had become agitated and started yelling and screaming and making claims that he was going to burn the house down. Mr. Sander explained that his son had went outside and he was not sure where he had gone but could still hear him screaming. Mr. Sanders went onto explain that he had heard his son hitting the house and had later found that he had broken a light off of the house. Mr. Sanders continued to explain that his son had broken a window at the back of the house. Mr. Sanders explained that at some point while his son was yelling, he was going to burn the house down he had gotten gasoline and had eventually set a fire in the broken window. While conducting my investigation, I did find the broken light and the broken window. While looking at the window I saw scorch marks on the window frame, melted plastic, as well as the blinds in the house having been burned and melted. While in the area of the window I could smell the scent of gasoline. I was able to determine later that Mr. Thomas J. Sanders had put gasoline in a soda can and had used it to splash the gasoline in the area of the window before setting it on fire.*

*After speaking with Mr. Thomas E. Sanders, I walked next door to 138 Broomsage Cir. to speak with a Mr. Jeremy Williams. Mr. Williams explained that he had heard the yelling and screaming coming from his back yard. Mr. Williams explained that he walked out to the front porch to see what was going on and had found Mr. Thomas J. Sanders walking through his yard. Mr. Williams explained that Mr. Sanders told him that he needed to call the 911 because he was about to set this house on fire.*

*Mr. Thomas J. Sanders was arrested and charged with Disorderly conduct, vandalism, Aggravated Arson, and two counts of Aggravated Assault.*

*During my investigation it was decided to call out Bedford County Fire to ensure that the area that had been set on fire was safe.*

*Mr. and Ms. Sanders have been advised of their rights as well as how to obtain and order of protection*

*On 09/24/2023 I spoke with Thaddeus Braston about a theft that occurred at the Dollar General on 231 North. He advised when he was walking out of the store, he thought he heard his vehicle door close, and a subject walked past him. He described him as a white male approximately five feet and four inches tall, slim built, wearing a hat, dark shirt or hoodie, and blue jeans. He stated the male got in a dark colored Chevrolet traverse and drove away. He then realized that items had been taken out of the center console of his vehicle and put in the seat. This is when he discovered the gun was missing. He was not sure of the weapons caliber, serial number, model, or value.*

*All in Bedford Co. Tn.*

| <i>On Sunday September 24, 2023 at approximately 2114, I responded to a 911 hang-up call at the Halls Mills river access.</i>                                                                                                                                                                                       |                  |                        |                           |                   |         |
| <i>After arrival, I made contact with Shadoe Bundy. Shadoe stated that his wife, Lauren Bundy had driven to the river access and wanted him to go to Indiana with her. Shadoe stated that he did not want to go anywhere with Lauren. Shadoe said that Lauren made statements that made them verbally disagree.</i> |                  |                        |                           |                   |         |
