Heart for ENC

We are Heart for ENC – Eastern North Carolina

A team of business people nudged by God to connect with those leading local, faith based, non-profit organizations.

Mission: To equip and empower non-profit ministries, freeing them to transform our community for Christ

Our mission is to support *their* mission through providing capacity building training and resources, building connections throughout the community, and offering grant writing and other services. As we work together we can more effectively impact our community and demonstrate the love of Christ.

Areas of Focus: Heart for ENC helps local, faith based, non-profits, seeking to equip and empower them to more effectively pursue their unique missions.

The three areas of focus are:

- **TRAINING & DEVELOPMENT:** Heart for ENC conducts a variety of group training sessions throughout the year focused on leadership development, organizational effectiveness, and resource sustainability. They offer large group workshops, small group intensives, and one-on-one coaching to help meet the needs of organizations.
- **CONNECTING NEEDS & RESOURCES:** Heart for ENC works to connect local non-profit teams with other civic, government, or business partners to creatively and collaboratively meet needs.
- **SUPPORT SERVICES:** Heart for ENC has engaged the services of a grant writer to work alongside organizations in the grant writing and management process. Providing this resource has brought expertise and experience which has enabled non-profit leaders to more effectively pursue funding opportunities, while saving them time, resources and energy.

Connecting with non-profits.

Supporting their mission.

Impacting our community for Christ.

Ways to be Involved:

As there are many **needs** that go unmet in our communities, there are also many **resources** that go un-used. Perhaps you can be a part of helping us connect needs and resources.

The 3 T's of Involvement:

- **TIME:** Many non-profits need volunteers at their organizations as well as on their executive and operational boards. A mustard seed amount of your time could bring an amazing harvest of Hope to the community. Giving of your time could deeply impact your life and the lives of others.
- **TALENT:** God has uniquely gifted each and every one of us. We are all in full-time ministry. Use your business skills to help a local non-profit. Perhaps you are an expert at marketing, sales, IT, accounting, process improvement, homemaking or any other professional skill you can think of. There's a place for you on the team! A local non-profit could benefit tremendously from the expertise and experience you possess.
- **TREASURE:** Like any non-profit, we are funded by generous donations from our community. A gift to our organization can be a leveraged gift that will impact many organizations. In addition to general donations, we offer sponsorship opportunities for our training events and the services we provide.

Contact us for more information on how you can give your time, talent or treasure.

Community Crossroads Center

Mission: At CCC our Mission is to “serve the poor and homeless in a continuum of care from basic shelter to prevention that empowers clients to achieve and maintain lives of self-sufficiency.”

Vision: We want to be more than just a place for people to find shelter and food. It is our vision that we provide a central geographical resource center for people in the community to come to for basic needs. We are enlisting the help of churches, organizations and interested civic groups to be a part of this holistic endeavor.

Programs:

Shelter: The Emergency Shelter provides homeless adults and families temporary shelter and meals. On-site programs, Shelter staff, and community volunteers help clients access resources for independent living. The program emphasis is to help clients set short-term goals that will equip them for relocation into a stable environment upon exiting the Shelter. Maximum length of occupancy is six months.

Temporary Assistance for Needy Families: The TANF program, also known as the 200% Program, is a program offered by CCC which may provide assistance for families with children under the age of 18 years old. To qualify, you must have an income, must have children under the age of 18, and must live in Pitt County. Assistance that the program may offer includes housing services, first month's rent, or security deposit, or utilities deposit. **No assistance is guaranteed, the program only helps with one of the above, and is only a one-time help.** The mission is to assist families in acquiring and maintaining self-sufficiency and also to increase the family's ability to improve housing/financial stability. By providing 100% of these needs for a limited time, we hope to generate 200% more stability for families in the long-term. It is the intent of the program to prevent families from becoming homeless and to keep families in a stable environment. A referral is required in order to be considered for potential assistance and is seen by appointment only. Unfortunately, we cannot take walk-ins.

The Greenville Community Shelter Clinic: The GCSC is a free medical clinic run by medical students studying at the Brody School of Medicine at East Carolina University. The clinic offers basic medical services and referrals to anyone in need of them.

Respite Quarters: Community Crossroads Center is a “night only” shelter. However, often there are residents with disabilities, short-term medical conditions or other special situations that limit their ability to fend for themselves during the daytime hours when residents are expected to be out of the facility. Thanks to the generosity of an anonymous donor, the Respite Quarter was established in the old school building adjacent to the shelter. Residents that meet the requirements of the Respite Quarters' Policy are admitted. As with all programs here at Community Crossroads Center, we rely on our wonderful volunteers who offer companionship and support to those in need of a hand up. The Respite Quarters are open noon to 5 pm. Monday through Friday based on the availability of volunteers.

Clothing Closet: To donate clothing and coats and small household goods, please visit CCC Clothing Closet on Mondays, Tuesdays and Thursdays from 2-4pm. It is in the 2-story building beside the Shelter. We not only help provide clothing for our residents, but we help out anyone in the community.

Ways to be Involved:

Partnerships: We are looking to partner with any Faith based or Social Services organizations that will help our residents in reaching their goal of independent living.

Volunteer: We could not operate without the support and love of our volunteers. If you would like to make a difference in your community, you can volunteer with us. We need help in our clothing closet, Respite Room, and in the office. Please fill out a volunteer application which can be downloaded from our website or come pick one up in the office. Our Volunteer Coordinator, Julie Morrow, will meet with you to go over the volunteer opportunities.

Donate: We appreciate all donations to CCC. For Monetary donations, you can mail or bring in a check or cash, pay in the office by credit card, or donate online at our website:

www.communitycrossroadscenter.org

To donate items, we accept donations Monday through Friday from 8:00 am to 3:30 pm.

Daughters of Worth

Mission & Vision: Daughters of Worth was founded in 2015 and has a vision and mission to educate, equip, and empower girls of all ages to become strong women of influence in their communities. We work with girls of all ages within schools and the Boys and Girls club through our six signature programs to live out our mission.

Programs:

- **GLAM Girls:** GLAM, or Girls Living a Mission, is a group mentorship. This program is aligned with the NC Common Core Character Education and incorporates 21st Century Skills. Components include: knowing your self-worth, valuing your body, investing into positive friendship choices, having a vision for your life/goal setting, serving others, living with integrity, financial literacy, and character education.
- **Notes of Hope:** This program was developed in 2016 as an opportunity to inspire and encourage the girls of our communities through handwritten cards of encouragement, written by the women of our communities. As a girl is “adopted” into the Notes of Hope program through her local school, she receives a handwritten card of inspiration and encouragement, a Note of Hope, each month throughout the school year and is then invited to a special event at the end of the year.
- **Grace Gifts:** This program is designed to counteract poverty and empower girls towards financial freedom. Grace Gifts teaches financial literacy skills, instills strong work ethic, and equips girls in entrepreneurial skills.
- **Empower Her! Events:** The purpose of Empower Her! events are to create awareness, generate conversation and share community resources around hot topics that teens are confronted with. Topics include, but are not limited to, trafficking prevention, social media safety, and the red flags of dating violence. Our events are also geared towards building a bridge to close the gap between other community organizations and the teens of our communities.
- **GLAM Girl Closet:** The GLAM girl closet is designed to provide girls of all ages who are in need of clothing in our communities. Clothing is provided through the generous donations of others and as sizes are available. A recipient of our closet does not have to be a participant of our other signature programs. To request assistance, please contact Daughters of Worth to learn more.
- **You Are So Loved bags:** Upon recognizing the need for personal hygiene products and feminine hygiene items, Daughters of Worth offers You Are So Loved bags. These bags are filled with essential items that girls would need such as: toothpaste, toothbrush, soap, shampoo, and feminine hygiene products. You Are So Loved bags are placed in participating schools but are also available through the Daughters of Worth office for any school-age girl who is in need. Please connect with Daughters of Worth if you know someone who can benefit from this program.

Family Support Network of Eastern NC

Mission: To provide emotional support, resources and information for families of children with developmental, physical, behavioral or medical needs, and for families who have experienced the death of a child

Vision: FSN of ENC believes no family should have to walk an unexpected journey alone

Key Programs: FSN of ENC believes in the power of parents supporting parents. We provide a Listening ear, Hope for the future and Empowerment to families through our services which are all provided at no cost to families throughout 18 counties of Eastern North Carolina.

Support Parent Mentoring Program: Sometimes families with children who have special needs or who have experienced the loss of a child can get the best support from others who have experienced a similar journey. Through our Support Parent Mentoring Program, families seeking support from other parents can receive just that. We connect families to a trained volunteer mentor to talk with that has walked a similar path. Our access to state and nation-wide networks enables us to locate family matches for a variety of needs.

Family Connections Program: Our family connections events are designed to create a safe and supportive environment for families to connect with one another to ensure that no family has to walk alone. We provide the opportunity for all families who wish to participate the ability to join in family social events, parent groups, and sibling events.

Workshops: Through collaboration with community partners, educational workshops are provided to families within their community to support the unique needs of families who have children with special needs. Workshops cover a variety of topics and aim to empower and equip families with up to date information, skills and leadership opportunities.

Parent Care Bags: Having a child in a treatment environment can be stressful on families. FSN of ENC provides family care bags to make the journey a little bit more comfortable. Care bags include notebooks and pens to keep track of valuable information; self-care items such as toothbrushes, chapstick, and combs, comfort items including socks, mints, snacks and crossword puzzles.

Aromatherapy Hearts: There are times when parents are not able to be physically present with their children during treatment or hospital stays. Aromatherapy hearts provide a way to stay connected through the sense of smell. FSN of ENC provides families with cloth hearts they can wear against their skin, absorbing the unique smell of the parents that can be placed with their children when they are not able to be present.

Service System Navigation: We provide assistance navigating complex service systems to increase access to needed supports and services for children and their families.

Ways to be Involved:

Share our Mission: Help us reach families who may be in need of support by sharing our mission in your local community. Let families know they do not need to walk their journey alone. We are here to walk beside them.

Become a Support Parent Mentor: If you are a parent who has a child with a special need or experienced the death of a child and feel called to support another parent who is walking a similar path consider becoming trained as a support parent. Our support parents are the heart of our organization and are provided training to equip them with skills and strategies to support other parents in their time of need.

Lend your skills: Do you have expertise or knowledge that you can share with families? Perhaps you have a talent or skill you would like to share with our families. Consider volunteering to partner with us to provide a workshop, assist special needs families in social outings or events, provide activities for our family connections group or lend your sewing skills for our aromatherapy heart program. We would love to hear from you!

Assist in the Festival of Trees: The Festival of Trees is our largest fundraiser of the year and could not take place without the aid of volunteers. Volunteers are needed to help us assemble and decorate Christmas Trees at the Greenville Convention Center. Trees are displayed throughout the month of December and open to the public for enjoyment.

Consider being a financial supporter of FSN of ENC: We are grateful for all financial support, there is no gift too small. If you are able to, consider sponsoring a tree during the annual Festival of Trees or becoming a monthly donor. Contributions enable us to continue providing service at no cost to families!

Homeplace of Ayden, Inc.

Mission: HOMEPLACE OF AYDEN, Inc. addresses the loneliness and fears of the senior/veteran segment of our community by creating a meeting place where these issues are addressed through a day program that spurs them to reconnect with society through verbal interactions, physical and mental activities, community service, encouragement, and love.

Vision: Partnering with small communities to help them establish centers with programs designed to reconnect the senior/veteran with society by putting God's love into action.

Every day each of us is getting older and suddenly we belong to that group called "seniors". For some reason we are viewed as not a viable entity in the scope of everyday activities and we retreat into a hiding place. HOMEPLACE is going to make a difference in our community by shining a light into that place of REJECTION, FEAR, SELF-PITY, AND ANXIETY. With the ambiance of a homelike setting and lots of smiles, hugs, and activities geared to the needs of this group, we intend to build on the strengths, talents, and experiences of these seniors/veterans in our community and create an army of useful citizens who will in turn become contributors to the interests of our community.

Ways to be Involved:

There are many ways you can become involved in the ministry at HOMEPLACE.

- **Volunteers** will be much needed here. We need compassionate hearts and big smiles. Bring your gifts and talents, we will put them to work.
- Every **Financial Donation** helps, so would you consider partnering with us in this mission? Someone you know needs the love and encouragement we will provide here.
- We accept Paypal on our website www.homeplaceofayden.com.
- Checks may be mailed to P.O. BOX 623, Ayden, N.C. 28513
- HOMEPLACE is incorporated in North Carolina and we have a 501c3 status and all donations are tax deductible.

Seniors/Veterans still have the same basic needs as any other group...they need to laugh, have fun, explore and learn, and most of all engage in living life to its fullest in these latter years through fellowship and new friends. When you walk in the door of HOMEPLACE you are only a stranger for a moment and then we embrace you as a friend.

HOMEPLACE will be a day facility open for those seniors/veterans who are mobile and can take care of themselves, but who need the interaction and friendship of others who can encourage them to become contributors into the lives of others in our community.

By offering social, recreational and educational opportunities as well as arts and crafts, movies, music, and spiritual activities, we intend to enhance the quality of life for our guests. Happy people seem to be generally healthier and we want to make happy people.

Serving the Community:

- **Community Outlet:** Hope of Glory Ministries thrift store, The Community Outlet is open Monday - Friday 9 am-5 pm and Saturday 10 am-4 pm. This innovative approach addresses root issues of poverty including generational poverty, government regulations, low wages, financial burdens, and lack of appropriate education. Each month we are saving families an average of \$270 dollars in food costs which is then redistributed towards financial goals. Our vision is to see families self-sufficient and financially stable without the need for government or charity assistance.

Kristi Overton Johnson Ministries

Mission: Kristi Overton Johnson Ministries encourages, equips, and empowers people to live victorious lives through tangible acts of God's love and the powerful truth of His Word.

Vision: To be a voice of hope to incarcerated men and women in every detention facility in America.

Victorious Living

An Outreach of
Kristi Overton Johnson Ministries

History:

To encourage and equip people to live victorious lives, Kristi Overton Johnson combined her faith, love for people, and the keys to victory she learned as a world champion water skier in her not-for-profit organization, KOJ Ministries. One visit with an incarcerated friend in 2013 opened Kristi's eyes to the hopelessness of life behind bars and birthed in her a desire to minister to incarcerated. Shortly after, the Lord opened a door for the magazine she publishes, *Victorious Living*, to be distributed in prison, and for her to speak to incarcerated men and women across the US. Today, over 1 million lives have been impacted through the prison outreaches of KOJM.

Key Programs:

Key Programs include national evangelical prison events, correspondence outreach to inmates, and delivery of KOJM's quarterly publication, *Victorious Living Magazine*, to facilities within the US State and Federal prison systems.

Victorious Living Magazine is an evangelistic tool that connects inmates with a ministry who will walk their incarceration journey with them by providing fellowship, discipleship in the Christian faith, and connection to transitional support services.

KOJM's *Victorious Living* Prison Outreach provides support to both English speaking and Spanish speaking inmates, and their families. *Victorious Living* is a bilingual publication.

Sponsor: Sponsor local, state, or federal detention facilities to receive cases of *Victorious Living* each quarter. Or, sponsor an individual inmate to receive a personal subscription and on-going mentoring. VL Magazine is a free publication to inmates and detention facilities. It is 100% donor supported.

Invite: Invite Kristi Overton Johnson to come speak at your church, organization, or business function.

Lifetime of Joy

Mission: Caring for young parents in our community by providing essential goods and a network of helpers.

Vision: The Lifetime of Joy Baby Pantry will demonstrate the heart of Christ for babies and their parents, occasioning a happier parenting experience by: (1) providing essential goods for baby care, (2) fostering healthy relationships with other parents, and (3) bringing together community services.

Hollywood Church has put their love and faith into action through the following services:

- **Pantry Assistance:** Lifetime of Joy helps to ease the financial strain on young families by providing diapers, wipes, and other baby care products to families in need. Families on WIC, SNAP, or Medicaid automatically qualify to receive a monthly pack of diapers, wipes, and 3 other items of need from the pantry. Families who do not receive government assistance will be asked to provide information for a non-family reference for proof of need. Families receiving assistance will need to attend the motherhood support gathering at the church each month or an approved parent education or childhood development event each month.
- **Motherhood Support:** The Mothers of Many Seasons (M.O.M.S.) is a biblically based mothers group of all ages that hosts and leads the motherhood support gathering every 3rd Saturday of the month. Older moms act as mentors to new and young moms with young children. Each month a "mentor mom" leads in a devotion and discussion on an important motherhood topic. Along with M.O.M.S. devotion, a different guest speaker is invited each month – refreshments and childcare provided. Playdates and outings are scheduled monthly for fellowship for moms and their families. While this outreach program works to support the baby pantry, these gatherings are not limited to families receiving assistance through the baby pantry.

Lifetime of Joy exists as part of Hollywood Church EPC. Hollywood Church has a passion for joy and wishes it for everyone, but also realizes how difficult a struggle it can be to maintain joy with the stresses of parenting, working, and providing for young children in a growing family. Mothers of Many Seasons motherhood support group also exists as part of Hollywood EPC and works together with Lifetime of Joy to support the baby pantry. The Lifetime of Joy Baby Pantry was so-named because we are pro-life, meaning, we care about unborn babies. But more than that; we are pro-lifetime - we care about babies (and their parents) AFTER children are born! And we wanted the name of the baby pantry to show that we care about life, joy, babies and parents.

Ways to be Involved:

Donation Opportunities:

The baby pantry accepts diapers, wipes, bath wash, shampoo, diaper rash cream, baby powder, baby food, formula, toddler snacks, all linens, clothes (sizes P to 4t), bibs, burp clothes, receiving blankets, small toys & board books, pacifiers, teething rings, bottles, high chairs and pack-n-plays.

If there are other items you wish to donate, please contact the baby pantry staff.

- **Collaborative Initiatives:** NC Stop Human Trafficking fosters a multidisciplinary and collaborative spirit in the fight against human trafficking and victim response. Human trafficking is a multi-faceted issue that requires everyone to come to the table.
- **Global Efforts:** NC Stop Human Trafficking works to reduce vulnerable populations around the world, as well as choking off demand for products made by forced and/or child labor. NCSHT does this through introducing fair trade products into the local markets and raising the social consciousness about the value of fair trade (products made without slave labor, child labor and for fair wages).

Ways to be Involved:

NC Stop Human Trafficking's goal is to create a community that ACTIVELY works to abolish human trafficking, which means everyone must contribute their individual skillsets and talents to work toward the common goal. This organization invites all people to join the fight in the best way they are able.

- **Financial Support:** All of the community education programs are provided completely free of charge. NCSHT could not do that without the financial support of the community.
 - *Donate:* Community members can make a one-time donation by visiting our website, ncstophumantrafficking.org or become a sustaining sponsor of our programs through regular monthly donations.
 - *Buy Fair Trade:* NCSHT's other fundraising mechanism is through the social enterprise project "Fair Traders." While NCSHT promotes fair trade being sold in local retail stores and groceries, it also takes the lead and introduces fair trade products on its own. When a person buys NCSHT's fair trade products, 100% of those sales go right back into community programming.
- **Volunteer:** NCSHT needs volunteers from all walks of life and who possess a variety of skillsets. Volunteers for NCSHT have represented the organization at community events, assisted in fair trade initiatives and spoke to civic organization and community groups about human trafficking.
- **Interns:** Young people are the vehicle of change for generations to come. That is why NCSHT offers several internship opportunities for college students, welcoming fresh ideas and new voices to the cause of human trafficking elimination.

Brief History:

In 1968, Church Women United recognized the need to help young ladies of any ethnicity ages 5-13 from disadvantaged situations in the Greenville area. Their goal was and is today to keep the young ladies active and to enhance their growth physically, mentally, & educationally into becoming a well-adjusted citizen. The program was funded by the Church Women United until 1980. Operation Sunshine Inc., then became a United Way Agency. Operation Sunshine, Inc. is not a babysitting service, but a well structured program to meet the needs of its clients. We instill in each young lady that she determines her destiny.

Ways to be Involved:

Pitt County school teachers, volunteers, and interns contribute to the success and well-being of the young girls that attend Operation Sunshine. These individuals serve as role models for the girls. They help the girls recognize their strengths and weaknesses and build on these by providing structural programs and activities to engage in.

Do you enjoy working with younger children? Are you a great listener? Do you have good communication skills? Are you a team player? Can you initiate arts and crafts? Volunteers are welcomed daily and we need YOUR help!

In addition, volunteers and mainly interns will assist in homework and recreational activities and/or clerical responsibilities. Interested interns can set up interview appointments at the center with the executive director or administrative assistant through their internship course.

Pitt County Young Life

YoungLives Volunteer Coordinator- Bethany Bradsher
bethanybradsher@gmail.com (252) 375- 5213

Ways to be Involved:

Young Life is supported and able to operate thanks to a variety of different roles that people step into. While each role is necessary for the ministry to function, some roles are more upfront than others.

On the Front Lines:

- Volunteer Leaders
- YL College Bible Study Leaders
- Care Team (praying for/caring for/ and communicating with a specific team of volunteer leaders)
- Volunteers that disciple leaders (leader development)

If you are interested in stepping into one of these roles, contact Andrew Koehler (contact information listed below)

Behind the Scenes:

- Prayer
- Committee

Each local area has a committee of adults who believes in the mission of Young Life. The committee, comprised of parents, Young Life alumni and civic leaders, provides a foundation of financial, administrative and moral support for the local Young Life team.

If you are interested in joining the committee or learning more, contact ylpittcounty@gmail.com

- Financial Support

Donors are vital to Young Life at the local area and regional levels. Because Young Life areas are financially supported solely at the local level, donors' financial gifts account for all of an area's budget and part of a region's budget. Your donation helps areas hire and train staff and provide essential administrative support to the area. Your contributions also support operating expenses such as salaries and other ministry costs and can help send kids to Young Life camps.

Riley's Army

Mission: The mission of Riley's Army is to provide support to children with cancer and their families in Eastern North Carolina. This mission is accomplished by:

- Organizing volunteers to provide individualized support for the family to maintain a healthy home environment.
- Providing educational, financial and logistical support for the children and family as they navigate along the difficult path of childhood cancer treatment.
- Facilitate efforts of existing service organizations, churches and individuals for pediatric cancer patients and their families.
- Raise awareness of pediatric cancer and advocate for patient centered care.

History:

At age 5, Riley Philpot was diagnosed with Wilm's Tumor in May 2006. Initial treatment required surgery to remove her right kidney and 6 months of outpatient chemotherapy. A routine follow-up confirmed relapse of her cancer with metastasis to her lungs in June 2007. Riley was treated for her cancer with chemotherapy, radiation, surgeries, and stem cell transplants. In August 2010, Riley faced the fourth relapse of her cancer. Despite both of her parents being physicians, Riley's diagnosis of cancer threw them into a world of treatment that was difficult to navigate. Dr. Kirk and Kelly Philpot's medical experience is a blessing that helped them on their journey and allowed them to see potential ways to help other families in similar circumstances. Throughout Riley's battle with cancer, there was an outpouring of support from friends, family, and their Church. This support became known as "Riley's Army." Riley's spirit brought people together to care for those in need in our community. Riley passed away in 2011, but her legacy lives on. Riley's Army continues to grow to create a lasting force to care for other children and families on similar journeys.

Ways to be Involved:

- **Volunteer:** Riley's Army receives offers from many caring volunteers to help in its mission. We look for responsible individuals that believe in our cause, and are willing to contribute effectively towards helping children and their families. Transforming Christian Ministries (TCM) began as a response to the Eastern North Carolina (ENC) historic hurricane disaster of 1999. Out of the passion of professing Christians came passionate efforts to restore neighborhoods across racial, religious, economic and other needs to an above pre-flood status of living. The cross and dove represent passion for needed peace in Eastern North Carolina with takes sacrifices and unrelenting collaborative community efforts. Programs: Transforming Christian Ministries serves a variety of initiatives to help improve the lives of individuals, families, and communities. These initiatives are housed under our programs.

- **Body of Christ Development Ministries (BOCDM)** exists to fulfill Christ's greatest commission of believers becoming faithful disciples of Lord Jesus and becoming faithful makers of disciples of Lord Jesus. We primarily, but not exclusively, address the spiritual growth needs of church leaders and believers in churches. Our goal is to inform, inspire and incite pastors and other church leaders to prepare the church to serve beyond the walls of sanctuaries to bring God's Kingdom into the lives of both believers and nonbelievers.
- **Diabetes Care Project:** In the late 1990's, TCM collaborated with Pitt County Health Department and became the lead agency for the Diabetes Care Project which was funded through the Pitt Memorial Hospital Foundation. This program began a movement in Greenville and Pitt County to identify lay health advisors in African American and Hispanic congregations to address diabetes care, risk factors and management through screenings, plus education.
- **A Gifts in Kind (GIK) Distribution Center-Pitt County** evolved from efforts to provide relief to flood victims following Hurricane Floyd in 1999. Greenville-Pitt County Chamber of Commerce partnered with TCM to meet the membership requirement for GIK and funded the TCM warehouse for numerous years totaling nearly \$100,000.
- **Eastern North Carolina Donor Impact Project (ENC DIP)** is a grant supported program under the umbrella of TCM. This program seeks to provide for the establishment and promotion of programs to promote family development, affordable housing, medical needs, diverse prevention and health promotion for individuals, families and communities throughout our area.
- **Healthy Lives Healthy Choices** has been in existence since 2006 impacting the identification of risks, screening and treatment, education and reduction of disparities of diabetes and cardiovascular disease.
