## CharityTracker makes it easy to ...

- ★ Measure program impact with flexible reporting
- ★ Get accurate statistics for resource development
- ★ Encourage, facilitate, and strengthen collaboration
- ★ Identify needs and quickly mobilize resources
- ★ Efficiently manage disaster response and recovery
- ★ Instantly broadcast area-wide bulletins and alerts

## ♥ An easy to use cloud-based service

We've done all the hard work so you can do what you do best - help people in need. No software to install or servers to manage. No licenses. No headaches.

## ✓ A Proven Solution

CharityTracker streamlines client intake and provides accurate records of assistance for you and the other agencies in your community. Easy access to accurate data means better service for the client.

## 📊 Accurate Statistical Reporting

Statistical reporting gives you a better understanding of the people you serve. CharityTracker's flexible reporting features enable you to gather data for resource development, grant writing, strategic planning, and much more.

Pricing starts at \$20 per user per month
