

SHIPPING INSTRUCTIONS

Marimbas, Xylophones, Vibraphones & Glockenspiels Bars

There are 2 ways to pack—

1- Roll each set of bars in bubble wrap. Making sure to keep the bars strung on the cord.

OR

2- Un-string the bars and wrap a few at a time in newspaper, keeping the bars separated.
(Use this method ↑ for Glockenspiel keys)

-
- Pack very tightly with plenty of packing material in a very good solid box and **TAPE ALL EDGES AND CORNERS.**
 - No packaging peanuts please (They don't work well and make a mess)
 - For **Glockenspiel bars** please use a double box.
 - Best to add a second layer of cardboard inside the walls of the box—all 6 sides.
 - For larger sets of **Marimba bars** that are rolled up, consider using 2 boxes.

Include inside the box -

- A cover letter with a name (and /or school, store, orchestra, etc.),
- shipping and **BILLING** info.
- telephone(s), e-mail and any instructions (if needed)

---And remember to insure them---
