It's not too late to be a part of all the activities that make Sherwood Forest an outstanding subdivision! JOIN NOW!

Public hearing set Monday, April 19

All residents of Sherwood Forest subdivision are encouraged to attend a public hearing concerning the two vacant lots at the corner of Nassau and Archery drives, designated Lots 51 and 52, East Sherwood Forest. The meeting will begin at 7 p.m. Monday, April 19 in the St. Thomas More Activity Center.

The purpose of the meeting is to elicit citizen feedback and input concerning the owners' plans for development of the lots, which have been vacant since the subdivision was established. The lots currently are zoned A-1.

The SFCA board and its attorney, Gregory Webb, met with Dave and Cheryl Walstad, owners of lots 51 and 52; Usa Wright, manager of the adjacent Summer Grove Condominiums (also owned by the Walstads); and Michelle Ruston, the Walstads' Realtor, on March 18 to discuss the future of the lots.

At that time the parties came to a mutual agreement to retain the existing A-1 zoning. The agreement is contingent upon the Walstads' obtaining a Community Block Grant and both parties' agreeing on deed restrictions for the new homes that will be built under the grant.

The Walstads plan to build three A-1 single-family homes on the lots, two facing Archery Drive and the other facing Nassau Drive. The four-bedroom, two-bath homes would be approximately 1400 to 1600 square feet under roof. For the first five years the homes will be rented 100% to disabled individuals. After five years the occupants will have the option to purchase their homes.

The Walstads will have to go to the Planning and Zoning Commission for clarification and approval of their plans before construction can begin. A previous attempt by the Walstads to rezone the lot for duplexes or apartments was denied by Planning and Zoning, primarily in response to citizens' objections to the change.

Residents who want to receive updates on this and other issues are strongly encouraged to send their names and e-mail addresses to the SFCA Webmaster, Dallas Ballmer, at dballmer@cox.net. New information also will be posted on the association's Web page, http://www.sfcabr.org.

From the President's Desk....

By Patty Domingue, President, Sherwood Forest Citizens Association

Just a quick note to say hello to all my fellow neighbors and give a few details about what we are working on this year.

First, there will be a public meeting at 7 p.m. Monday, April 19 to discuss the future of the two lots at the corner of Archery and Nassau drives. Mr. Dave Walstad, who owns the lots along with his wife, will give a presentation about his plans and answer questions. We will definitely need participation on this issue.

I also want to stress the importance of getting to know your neighbors. Spring is here: get outside, spruce up your yard and wave at your neighbors. It truly helps to keep your house safe. People who know each other tend to be more familiar with unknown vehicles and unidentified people who may be lurking around your residence. They are more apt to care enough to either call you or notify the police.

And finally, we desperately need volunteers to canvass the neighborhoods so that we may update the deed restrictions that are expiring this year. Please call Jackie Gray at 273-2930 to find out how you can help. Gary Smith's article on Page 3 includes a list of filings that must be updated in 2010.

This should be a good and productive year, and I want to thank everyone for making Sherwood Forest one of the best and safest neighborhoods in the Baton Rouge area.

Keep in touch and stay informed

- Call 911 in case of an emergency. The non-emergency number for City Police is 389-2000
- For suspicious situations that are not time-sensitive call the Sherwood Forest Citizens Association Security Line, 273-1353. Leave a call-back message, and include your e-mail for online communication.
- To find a governmental agency that can address your concerns, call 311 and speak with a Citizen Services Specialist. The call will create a service request that will automatically be routed to the proper department to deal with things like zoning violations, pothole repair, tree branch hazards, loose pets, cluttered carports, single-family zoning violations, building violations and many more. These same issues may be submitted online at www.brgov.com (call 273-1353 for help if you have problems using the online method). MOST IMPORTANTLY, YOU MAY REMAIN ANONYMOUS BY SIMPLY STATING THIS AS YOUR WISH! You are encouraged to keep your neighborhood neat and clean and your property values high by reporting concerns through the city-parish services paid for by your tayes.
- Specific questions about streets and traffic, drainage and sewerage, construction and building codes or the environment should be directed to the Department of Public Works (DPW) at 389-3090, 380-2070, or online at http://brgov.com/DEPT/dpw/.
- To report general concerns about the neighborhood, call District 8 Metro Councilman Mike Walker's office at 272-9088 and speak with him or with his legislative assistant, Zona M. Pickens.
- For the latest information about your subdivision, PROVIDE YOUR E-MAIL ADDRESS and listen to the messages sent out to the membership from the SFCA board through its Internet-based voice-messaging system, Notification Server.
- Check the SFCA Web site, http://www.sfcabr.org, where you will find breaking news, links of interest and archival information about our subdivision. If you don't have a home computer, go to the EBR Parish library for free access.

Protect your property's value: update deed restrictions

By Gary Smith

One of the most effective ways to protect and perhaps enhance your property's value and the quality of life in your neighborhood is to update your deed restrictions. This is the method you can use to actually "do something about" some neighborhood problems that have been frustrating you.

In order to put the changes into effect, each filing must obtain a majority vote (50%, plus one) of the affected residents through signatures. Volunteers go door-to-door to talk to residents and obtain their signatures. During this process each resident receives a letter explaining the changes and a copy of the new document.

Deed restrictions for four filings are due to renew this year. If you own a home in one of the following filings, you may contact James or Jackie Gray at 273-2930 or jripgray@cox.net, or me at 273-1353 or security@sfcabr.org to learn more about how you can protect your property's value.

The entire process takes some time, so we need to get the ball rolling very soon if the filing's homeowners want to take advantage of this great opportunity. (Please tell your neighbors who live in these filings, too.) The lot addresses in each filing are listed below under the name of that particular filing along with the recordation deadline.

Deadline Date: June 8, 2010

Numbers game: Can you be found in an emergency?

When seconds count, can you be found? Your child has fallen and has a compound fracture, you or your spouse is in cardiac arrest, the grease on the stove caught fire and the fire is spreading, or you are hiding in your bedroom closet with your child clutching you and the burglar rummaging through your

house. DO YOU WANT EMERGENCY PERSONNEL SEARCHING FOR YOUR HOME IN THESE TYPES OF SITUATIONS?

You may display your address on your curb in fluorescent paint, on your mailbox, to the right or left of your front door or above your door on the eave. It depends on how quickly you want to be found. Parish ordinance Sec 7:26, Uniform Grid System, states that all home addresses must be displayed in Arabic numbers no less than three inches in height. Although the ordinance does not specify where the numbers must be displayed, we recommend placing the numerals either above your front door on the eaves or to the right or left of your door. Be sure no bushes, trees or other obstructions block either the doorway or the house numbers. The city-parish handles enforcement of this requirement, so concerns can be directed to the city-parish by calling 311 or clicking on "Request for Service" on the www.brgov.com Web site as discussed on Page 2.

Join your neighbors and help keep Sherwood Forest clean!

Pictured at left are the stalwart residents who, with assistance from St. Thomas More Girl Scout Troop 5, spent a beautiful morning last fall cleaning up litter and trash along Goodwood Boulevard.

The next clean-up day is Saturday, April 17. Volunteers should meet at 8:30 a.m. in front of the St. Thomas More parish office. Bags, gloves and water will be supplied. Cleanup usually takes an hour and a half to two hours and yields many bags of trash! Come on out and join the fun.

Your membership in the SFCA is important!

By James Gray 2010 Membership Chairman

My 2010 membership goal is 75% membership. When you receive this newsletter please send in your dues right away in the envelope provided (see form on Page 9). The amount of dues and donations made determines exactly what we can and cannot do for the year.

As you know, it takes money to provide services like Security Patrol and to plant and maintain the beautiful flower beds at our neighborhood entrances. Your \$25 membership dues are an important investment for your family. The activities of the association directly affect the safety of our neighborhood and the value of your home.

EVERY RESIDENT SHOULD BE A MEMBER OF THE ASSOCIATION. This helps us provide the services you want and expect at an extremely low cost.

The association greatly appreciates those residents who already have paid their 2010 dues and made additional optional contributions for the security patrol (see Pages 6 and 7 for membership roster). In February the association mailed 2,911 dues letters to all residents.

I would like to thank those who helped me accomplish this: Neissy Graf, Patty and Gary Domingue, Emmeline Ross, Dallas Ballmer, Louis and Fran Gaudin, Ralph and Martha Dupuy, and my wife, Jackie Gray.

Louisiana Nursery again sponsoring Yards-of-the-Month

By James Gray

This winter was one of the coldest we have experienced in a long time. And let's not forget all the rain our yards have had to soak up. But now it's spring and all the weeds are coming alive. With the first nice sunny weekend many of you will be working in your yards, digging your flower beds and visiting our local gardening centers.

The Sherwood Forest Citizens Association is here to help. No, we won't come to your home and work—but we can offer you an incentive to spruce up after the winter. Again this year with the support from Louisiana Nursery we will select yards of the month beginning in April through September. We choose one yard from each of the four quadrants in the subdivision each month. We display a "Yard-of-the-Month" sign in these yards for a month. A photo is taken of your yard and is posted on our Web site

The beautification committee then selects one yard out of the four as the best yard and awards that homeowner a \$50 gift certificate to use at any Louisiana Nursery Home and Garden Showplace Center, including our local one here on Florida Boulevard. Talk to your neighbors and have a friendly competition to see whose yard will win. Who knows? YOU could win the \$50 gift certificate!

Dangerous dogs can cause grief, expense for owners

The owner of an animal classified as "dangerous" by Animal Control must pay all attendant fees for board and food, as well as stiff fines—including posting bond 30 days in advance to cover all expenses connected with the upkeep of the dog while it is in custody.

Dangerous dogs are not returned to their owners under any circumstances unless certain stipulations are met. The owner must show sufficient proof of insurance, which can be costly, and must post "Beware of the Dog" signs in designated locations on his property. Fences must be of a specific height and strength. All conditions are stringently enforced (see Sec. 14:208 of the Municipal Code).

Pet owners can save themselves much grief, not to mention expense, simply by abiding by the stipulations of Sec. 14:204 governing an owner's responsibility for his or her pets (see www.brgov.com/Dept/animal/petowner.htm).

Ignoring these laws can result in death or injury to either the owner's pets or those of a neighbor or friend. When appeals fail, animals deemed dangerous may have to be euthanized.

All dogs and cats should be spayed or neutered and kept under the owner's control at all times.

Win war against the grass!

By Beth Friedel

Last year, to assist those of you who are faithfully battling the grass without the aid of a lawn care service, the SFCA purchased a professional edging machine. We had many members use the machine with great success.

To "rent" the machine for free, all you have to do is be a current member and leave a check for \$50 while you borrow the machine the first time. The check will be returned to you when you return the machine. Rentals are available Monday through Friday from 4 until 8 p.m. and Saturday from 8 a.m. until 6 p.m., with a rental time limit of two hours.

Please call ahead to <u>218-6931</u> to reserve the edger. If no one answers the phone, just leave your name, phone number, street address, and the date and time that you'll need the edger. Pickup and return will be at <u>11655 Manorwood Drive</u>. If you would like to "rent" the edger, but are physically unable due to health, disability or age, please call and we will arrange for a volunteer to edge your yard.

The SFCA plans to purchase more machines if it looks as if there is a great demand for this service.

FUTUREBR - Updating the Plan

by Zona M. Pickens

(Ms. Pickens is Legislative Assistant to District 8 Councilman and Mayor Pro-Tempore Mike Walker. The Council District Office number is 272-9088.)

In January 2010 Mayor-President Melvin L. "Kip" Holden announced a year-long process to update the EBR Parish Comprehensive Land Use and Development Plan. The original Horizon Plan was adopted in 1992 and laid the foundation for local planning in the city of Baton Rouge as well as the parish. Over the past 18 years, with changes in population and growth direction of the city, as well as other contributing factors such as economic trends, an "update," "re-do" and "let's look at this again" need has arisen (on the horizon, so to speak) with a game plan for the next 20 years.

National Urban Planner John Fregonese, of Fregonese Associates in Portland, Ore., was selected to lead the yearlong process involving input from all aspects of our community, especially the citizenry, in a series of 11 workshops. Some, but by no means all, of the issues to be looked at include new commercial areas, affordable housing opportunities, transportation-land use, walkable neighborhoods, infrastructure needs, connectivity, and main streets.

Councilman Mike Walker wishes to extend to all EBR Parish residents, and especially to his constituents in District 8, an invitation to get involved. This is your opportunity to have your voice heard about the direction in which you would like to see EBR Parish move. For updated information on workshops, etc., go to www.futurebr.com.

New residents or those who would like to begin recycling may sign up on the Web site (www.recyclingfoundation.com) or call the Recycling Foundation at 925-3442. Anyone who would prefer to replace a 64-gallon cart with a 48-gallon cart also should call this number. If a cart is stolen, the resident must first file a police report. The Recycling Foundation will replace one stolen recycling cart per household at no charge. Each cart comes with a brochure giving program details, as well as a sticker attached to the lid explaining what goes into the recycling cart. To date, recycling tonnages have increased by 25% thanks to the new single stream program.

Setbacks make "good neighbors"

The poet Robert Frost said, "Good fences make good neighbors." The same is true of setbacks.

Below are some of the benefits of having and abiding by minimum building setback requirements in a neighborhood.

Setback requirements create a "buffer" around a property's perimeter. Please be mindful of them when considering a home addition or the acquisition of an accessory building or even a large trailer or camper.

In addition to city-parish regulations regarding minimum setback distances, your filing's deed restrictions likely also define minimum setback distances and also require that an Architectural Control Committee must approve any addition or accessory building before construction or installation.

Abiding by such setback requirements is vital in maintaining the integrity of the neighborhood as well as good relations with neighbors.

So let's be courteous and give each other elbow room. Abiding by neighborhood setback requirements will:

- * Preserve neighborhood uniformity/aesthetics/appearance and character
- * Protect against congestion/overcrowding/high building density on lots
- * Provide and sustain orderly, consistent pattern of development
- * Provide visual buffer
- * Protect property values of adjacent lot owners
- * Protect property and developmental rights of adjacent lot owners
- * Provide access for firefighting equipment and personnel
- * Mitigate spread of fire
- * Provide access for emergency equipment and personnel
- * Preserve light/sunshine and ventilation
- * Preserve view

Census workers must provide specific identification

Anyone who knocks on your door and tells you he or she is a census worker taking information must provide a photo ID and an official badge issued by the U.S. Census Bureau. The Better Business Bureau (BBB) advises you not to invite the worker—or anyone else you do not know—into your home.

The census worker will have with him or her a hand-held device that is used to take your information, a canvas census

bag and a confidentiality notice. No census worker will ask for your Social Security number or for any information about your bank accounts or credit cards.

To protect against identity theft, the BBB warns you NEVER to give out personal or financial information to anyone who shows up at your door uninvited. More tips are at http://www.bbb.org.

YOUR TAXES AT WORK!

Residents should note that Flannery Road from Florida Boulevard to just past the bridge (the intersection at McDonald's and Brunet's) will be closed approximately from mid-April through late August. A \$38 million project will be underway at this time to improve the intersection at Florida and Flannery, add lanes and repair the bridge.
