for ODELLA RICHARDSON, PETITIONER

v.

NOTICE-OF-DEFAULT

• Case File has been destroyed. No Court Order Exists.

JAMES L. RICHARDSON, RESPONDENT

\*\*\*\*\*

Now comes RESPONDENT James Richardson (Mr. Richardson) to give this Notice of Default of his Jan. 4, 2012-filed Motion for the Honorable Court to terminate child support payments in the instant case. The Jefferson County Attorney for Respondent **has not** responded to the Court in this matter, and thus, the County Attorney is effectively in default, in admission that child support payments should be terminated.

Case file 80-J-0164 for the instant case has been destroyed, as Mr. Richardson's request to the Court Clerk for the case file **has not** been complied with. Mr. Richardson cannot be made to pay child support if an order does not exist.

Wherefore, Mr. Richardson is awaiting child support payments to be terminated by the Honorable Court in this matter, pursuant to said Motion and this Notice of Default.
