### News FROM THE INTERIM

#### Being a Matthew 25 Church

*Acts 2:17 "I will pour out my Spirit upon all flesh"*

Park Presbyterian Church is a Matthew 25 Church. There are three foci for a Matthew 25 Church: Building Congregational Vitality; Dismantling Structural Racism; Eradicating Systemic Poverty.

During the Month of July, I will be focusing on Building Congregational Vitality. What is Congregational vitality?

In an article from the PCUSA website, it said:

"You might think that the vitality of a congregation or worshipping community is based on the number of members, the scope of programs, the size of financial gifts or some other statistics. Not so—at least not entirely. Rather, a community's vitality is primarily its spiritual strength and its capacity for purposeful mission. Congregational vitality is evident in a worshipping community when its structural systems, finances, and discipleship practices are aligned in such a way that the community is actively engaged in the mission of God in their local community and the world, and they are powerfully focused on growing as disciples in the way of Jesus Christ. Faith comes alive when we boldly engage God's mission and share the hope we have in Christ."

Starting on June 26, I will be addressing the seven marks of vital congregations. Being a vital congregation fits nicely with interim ministry. Each week I will address a different mark:

June 26: Caring Relationships

July 3: Life-Long Discipleship Formation

July 10: Outward Incarnational Focus (Who is our Neighbor?)

July 17: Empower Servant Leadership (Spiritual Styles and Gifts)

July 24: Ecclesial Health (Prayer)

July 31: Spirit-Inspired Worship

There will be one last mark to be covered in August—that of Intentional Authentic Evangelism. By focusing on these seven marks, Park Presbyterian Church will continue to address the questions, "Who are We?" "Who is our Neighbor?" and "Who is God calling us to be?" This is all a part of the interim process and will help in discerning both Park's continued presence and mission in Newark and aide in the choice of your next pastor.

In Christ, *Pastor Susan*

#### What are Core Values and why do they matter?

Mark Frost with Interim Ministry Partners writes:

“Core values are deeply-held understandings and attitudes that guide a church in its planning and decision-making processes. They form the foundation on which members perform their work and conduct themselves. These values underlie the church's ministry efforts, govern members' interactions with each other, and guide the strategies that will be used to fulfill the church's mission. Core values describe the personality and character of a congregation.”

Core values provide a foundation which molds a congregation and its mission.

**Every church is unique**, even within a denomination. A church's geographic location, its demographics, the size of its active membership, its history, and particularly the people who have shaped the ministry of the church all help to form its personality and values.

**Every church has core values** whether they realize it or not. Because these core values form the foundation on which the congregation, its leaders, and its governing bodies make choices, it is better to identify and understand these shared values. There is a difference between personal core values and shared core values. Conflicts can arise when leadership in a church makes decisions based on personal rather than the shared core values of the congregation. Sometimes, a potential leader's giftedness and personal passions threaten a church's shared values and thus their sense of calling from God. At other times a potential leader's giftedness and personal passions enhance the church's shared values. Knowing what a church's shared core values are ensures that everyone is on the same footing when decisions are made because leaders and governing bodies can be held accountable to make decisions based on these shared values-not just on their own personal values.

#### The Core Values Survey

Tim Woodroof with Interim Ministry Partners writes:

“Churches can get caught between the **"rock" of their ideals and aspirations** and the **"hard place" of custom, comfort zones, and expectations**. This "between" spot makes churches vulnerable to confusion, paralysis, and conflict.”

Now, re-look at the core values generated from the survey.

How are they similar to your own core values? Are they different? What surprised you about the results?

### Property Report for June:

We had a Property Committee meeting in May after an extended period of time with no meetings. We identified a series of short term and long term items that needed attention and started to outline how to address them. Some of the short term items have been addressed such as the replacement of the hot water tank in the lounge kitchenette, and the cleanup and trimming of the plantings. Our office copier lease was expiring and we looked at two vendors and selected a new proposal from Toshiba for a new copier that will be installed later this summer. In examining the old lease and how many copies we made per month, we found a way to adjust the budgeted numbers of copies in the lease which should save us money in the future. A big Thank You to Jamie Harris for all his work on keeping the outside of the building looking good and another Thank You to Kris Joslyn and the Boy Scout Venture Crew for working to distribute and rake 7 cubic yards of mulch around the building. We completed that task in about 1 ½ hours one evening with the help of the scouts and their parents. The building is being requested more frequently by outside groups in the community and we are pleased to share our facility to meet the needs of our neighbors.

It is located on the corner of South Main St and Franklin Street. This would not have even been possible if it wasn't for the young people at Wayne County Steady work program. They worked so hard and we are very proud of the hard work that each one put into this. There will be list posted at the pantry of items that can be donated and not donated.

## *REMEMBERING THOSE WHO ENTERED THE CHURCH TRIUMPHANT*

### **Richard DeForrest Lunt: (Donna and Scott Blondell)**

Richard DeForrest Lunt of Rochester died May 13 after a period of declining health and cognition. Born in New Haven, CT in 1933, he was predeceased by parents Herbert Arthur Lunt and Pearl Collins, brother Donald Lunt (Maria) and first wife Ruth P. Bainton. Richard is survived by his partner of 17 years, Carmel Merrill, her children and grandchildren, and godson Scott Leubner and children Emily and Elliot. Richard served in the military during the Korean War, earned his undergraduate from Oberlin and PhD in History from University of New Mexico. He enjoyed a rewarding career as a professor of American history at RIT and wrote two books on the American labor movement. His deepest delight throughout was connecting with students. A lifelong learner, Richard took up watercolor painting and storytelling in retirement and grew skilled at both. He exhibited locally and wrote and performed stories about his extended family at festivals and social gatherings. Richard became a Quaker and joined the Society of Friends at the Rochester Quaker Meetinghouse, where he met Carmel and where they celebrated their union with a commitment ceremony in 2005. Buddhism also enriched Richard's life and he and Carmel regularly participated in retreats organized by a local sangha. Richard was committed to racial justice and civil rights and believed there is "that of God" in every person. He acted on his convictions, visiting men in Attica prison, facilitating a wrongly sentenced inmate's release and continuing the relationship as father to son. He also supported numerous charities and connected personally with families in need. A man of gentle grace, humility, and acceptance even in the face of pain and suffering, Richard often said "life is not about me." That's the legacy he lived and the spirit he leaves us.

### **William "Bill" Guchone (Rosemary Guchone)**

William Guchone, 69, died Saturday (June 4, 2022) in Saranac Lake. A funeral service for Bill will be 11 a.m, Saturday (Note July 16) at the Park Presbyterian Church, Maple Court, Newark. Memorials, in his name, may be made to either the Roosevelt Children Center, 848 Peirson Avenue, Newark, New York 14513 or Towpath Fife and Drum Corp, c/o Paul Willson, 4 Kemp Drive, Macedon, New York 14502. Bill was born in Clifton Springs, on December 26, 1952, the son of the late Frank and Eleanor Cole Guchone. He worked at Mobil Chemical for 32 years and retired in 2020 from SuperGen Products in Newark. He was a past Cubmaster of Cub Scout Pack 138 and an Assistant Scoutmaster of Boy Scout Troop 138 in Newark, and a member of the First Presbyterian Church in Saranac Lake. Bill was also a member of Empire Chapter Antique Motorcycle Club, and a drummer with Towpath Volunteer Fife and Drum Corps. He was his happiest out fishing on a lake, hiking the Adirondacks or getting lost on a dirt road while riding his Harley. His greatest joy were his four grandchildren, definitely the best part of his life. He is survived by his wife, Rosemary (Zicari); his sons, William (Hannah) of Newark and Matt (Lina) Collins of Nederland, Colo.; his grandchildren, the lights of his life, Tad and Ben Collins, Teddy and Charlotte Guchone; his sister, Cecile (Frank) Bouwens of Phelps; brother, John (Pinky) of the Philippines; special cousin, Paul Cole of Newark; longtime friend, Bob Adams; and several cousins, nieces and nephews. Bill was predeceased by his son, Teddy; brother, Francis; and sister, Merikay Byrd.

## Patricia Kaupp: May 13, 1938-June 5, 2022

Patricia “Patti” H. Kaupp, 84, of Palos Verdes Estates, California, passed away peacefully at home on Sunday, June 5, 2022 after a short battle with cancer.

Patti was born on May 13, 1938 to Betty E. Snyder and John B. Hines in Newark, New York. Patti grew up in Newark, New York where she graduated high school in 1958 and met her future husband, Norbett “Norb” Kaupp. She attended Nazareth College in Pittsford, New York. She and Norb were married May 14, 1960 in Newark, New York where they raised their three daughters, Felicia, Jennifer and Sarah. Patti created a happy, joyful home, where she welcomed friends and strangers. It was impossible to leave a visit to their home without a full stomach, a warm heart, and great stories. Many people say it was their second home, a place to laugh and spend time with their dear friend and her family.

Patti and Norb moved to Southern California in July 1984 and quickly acclimated to Palos Verdes Estates, where they would contentedly live for the rest of their lives. Patti lost the love of her life and her soulmate when her husband Norb was taken by cancer far too early. Patti never succumbed to despair. She was bolstered and strengthened by her family and community ties. She was passionate about her faith and a loyal member to Neighborhood Church for many decades, and most recently, Rolling Hills United Methodist Church. In her free time, she was a devoted grandmother attending most sporting events in both Southern California and New Hampshire areas. Patti was adored and will be missed by her many friends and family. She was happiest spending quality time with her family, especially her grand and great-grandchildren. Patti was predeceased by her husband, Norbett (2001). She is survived by her daughters, Felicia (Gene) Kosman; Jennifer Hayday; Sarah (Kevin) Boyle and her five grandchildren, Paige (Timothy) Vos; Isabelle and Mitchell Kosman; Henry and Gordon Boyle; as well as her two great-grandchildren, Timothy Jr. and Alice Vos.

A ‘Celebration of Life and Memorial Service will be held Thursday, July 28, 2022 from 1:00 pm at Rolling Hills United Methodist Church, 26438 Crenshaw Blvd., Rolling Hills Estates, California. In lieu of flowers, the family requests donations be made in Patti’s name to Rolling Hills United Methodist Church (RHUMC) [www.rhumc.org](http://www.rhumc.org) .

## SPREAD THE WORD

Hi, my name is Lisa Barrett and I am the owner/operator of the Newark Food Closet. What some people may not know, is that I have a 15-year old son named Robert. Robert was born with Bilateral Kidney Disease and a neurogenic bladder. What that means is—his kidneys are failing and his bladder does not work anymore. This disease has really taken Robert's life from him. He has never known what it is like to be a kid! He has had to grown up too fast and deal with the responsibilities that come with having this disease. I do hope that you will read Robert's story and look deep into your heart and feel the calling of God to help. God Bless.

Lisa Barrett

Hi! My name is Robbie!

I am 15 years old, a son, brother, student, racecar fan, and kid. Since my birth, I have been fighting bilateral kidney disease and a neurogenic bladder. These are big words that mean my kidneys are shutting down and my bladder doesn't work. My first surgery to reverse renal failure was when I was three weeks old.

Since then, I've had surgeries to numerous to count in an effort to slow the degenerative disease. In recent years, kidney infections have caused me to spend as much time in Golisano's Children's Hospital as I have at home. As you most likely would guess, my life has been limited by this disease. I am not able to participate in the many activities open to most boys my age, no sports or camp outs or roughhousing. That is not to say that I don't do what I can.

I love gaming, laughing with friends and family, and I try to make the world a better place.

One of my recent projects was raising funds through the church to help finance Mercy Ship, a floating hospital that travels the world providing free healthcare to those in need.

I have not entered stage four of this disease and I have been put on a list for a kidney transplant. I remain optimistic about the future, hoping that all who receive this message will pray to see if God is calling you to provide the gift of life.

Please consider taking the first step—which begins with a simple phone call to Living Kidney Donor at 585-275-7753. You would need to provide my name, Robert Barrett and my date of birth, 06/29/2006. Please encourage your family and friends to consider entering into the search as well.

I ask too, that you will pray for my family as we make this journey together and that I will find a perfect match so that I can continue to answer how God calls me to life.

Thank you, Robert Barrett

## PRAYERS:

Amazing Creator God, we thank you for the blessings of warmer weather, for travel now that things are opening up after Covid-19, for seeing us through difficult time in the lives of our families, our community, our country, and our world, for being our rock and the foundation upon which we lean and in which we find strength and courage to face an uncertain tomorrow. In gratitude we lift our prayers of thanksgiving for the many ways that you have intervened and are bringing us through these troubled times.

Lord, in your mercy, **Hear our prayer.**

Merciful Redeeming God, we continue to lift our prayers for your wholeness, healing, and peace for all the countries of the world, for states and municipalities within the United States, for all those who suffer whether from recent shootings, from political unrest, from natural or manmade disasters, or for those forced to flee their homes whether from war, economic hardship, or domestic violence. Guide us as we seek a way forward; may we be part of your solution, not part of the problem.

Lord, in your mercy, **Hear our prayer.**

Transforming Sustaining God, give us the inspiration and the heart we need to be your hands and your feet-to carry on your ministry and mission in this new world. We thank you for all the graduates and the possibilities that lie ahead for them. Guide them and give them discernment as they face decisions concerning their future. Bring clarity we pray. Help Park Church to be more active in our community and in the world as it seeks to fulfill its commitment as a Matthew 25 Church-to focus on congregational vitality, structural racism, and systemic poverty.

Lord, in your mercy, **Hear our prayer.**

Through Christ, we pray for loved ones.

Let us pray for wholeness, healing, and peace for all who suffer, are in need, face surgeries or times of uncertainty, or who wait for results and/or ongoing tests. From our own congregation, we lift in prayer to you, O God, the names of: Aaron, Bethany, Dom, ET, James, Glen, Todd, Richard, William, Jaime, Zoe, David Papineau, Derek Rose, Rev. Tim Johnson, Jim Peck, Douglas Groover, Charlie Matias, Joan's neighbor, John, Christine, Ivy, Teegan, and Meghan O'Tool (loss of husband and father), Daniel Allerton, Doris Waddell (loss of son), Linda Werts, Wanda Gallagher, Mike Greene, Kris Bald, Amanda and family, and Family Promise families.

Let us pray for courage and strength to face each day for all those in need of care and for their caregivers. We lift in prayer to you, O God, the names of: Bonnie and Thurlow, Ed and Cheryl, Kay and Dale, Jeanne and Paul, Barb, Eileen B., Betty C., Thelma, and Jim and Anne Peck.

(con't on pg 12)

Let us pray for peace, compassion, and strength for tomorrow for all who mourn the loss of loved ones—families and friends. In prayer, we continue to lift up the families of: Lee Prong, Lynn Donelson, Vern Coleman, Suzanna Blied Stresing, Rev. John Watkins, The Johnson and South families, Dorothy Ehrhardt, and Melody Neely, Florence Chapin, Sean O’Tool, Steve Kepner, Richard Mosich, and Richard Lunt, Patricia Kaupp, and Bill Guchone.

Living God, **hear our prayer.**

As our Savior Christ has taught us, we are bold to pray:

*Our Father who art in heaven hallowed be thy name, the kingdom come, thy will be done on earth as it is in Heaven. Give us this day our daily bread and forgive us our debts as we forgive our debtors and lead us not into temptation but deliver us from evil, for thine is kingdom and glory forever. AMEN*

***Note from Samantha:***

“I wanted to take the opportunity to thank everyone that I have had the pleasure of meeting so far! You have all been welcoming and kind. It has made the transition to this role that much easier. I look forward to moving forward and continue to do my best to serve as the secretary! “
