Your Gifts: Changing Lives, Building Ministries

As we emerge from this period of disruption and isolation in our congregations, we have felt the pain and frustration of distance, of diminished resources, and of our ability to connect in the ways to which we are accustomed. However, as we take inventory of our spiritual resources, the strength of our community, and our capacity for generosity, we realize that there is now, and always has been, More Than Enough.

Having served at St. Johns for over a decade now, I have grown spiritually and mentally in my faith and love for Jesus Christ. This has helped me on my journey from observing as a member in the pews of the church, to serving my brothers and sisters as a member in the ministry. The Eucharist is an important ritual in which we renounce our sins and accept the bread and wine signifying our acceptance of the body and blood of Jesus Christ. As a member of the ministry we have a commitment to assist in gathering materials for the distribution of the bread and wine in accordance with the liturgy, which will strengthen the bond we all have as children of our lord. This is of great importance to me and the rest of the community of St. Johns, as it allows us to advance in our growth spiritually and or relationship with God. -Andrea Castro

Pastoral Care is the link between the congregation and parishioners who are unable to attend church for either long or short periods of time. It's a way to keep them included and let them know they are not forgotten. Through visits, cards and phone calls they can feel like they are still a part of the church body. They are able to receive the Holy sacrament of Communion and Pastoral visits in time of need. They also know that someone is there to help if they need it after surgery or illness. We don't want anyone to feel alone.

I feel very privileged to be part of this ministry. I feel that I am bringing church to the people I visit and that is a humbling experience. I spent my working career helping people and this is an opportunity to help people in a very personal way. –Elaine Ross

And taking the five loaves and the two fish, he looked up to heaven, and blessed and broke them, and gave them to the disciples to set before the crowd. And all ate and were filled. What was left over was gathered up, twelve baskets of broken pieces.
