Nursery Workers Needed!

Help is greatly needed in the nursery department. The Nursery Department is asking you to prayerfully consider helping with this ministry. Single ladies and gentlemen, as well as couples are welcome to help. If enough help is obtained, you will only have to work once a quarter. If you are a member and would like to help, contact Carol McCullough at 863-443-1309. Thank you in advance for considering in helping with this ministry.

We are inviting all parents to attend this class. For six weeks we will be walking through the Biblical approach to parenting. If you have a neighbor or friend that you would like to invite to attend with you, please feel free to do so.
