Jesus After the Resurrection

Jesus appears to several individuals after the resurrection in a rather unique way. Mainly because Jesus had a unique relationship with them all. The along our journey is Mary in John 20.

Mary arrives at the tomb ready to see Jesus' body, only to find it not there. Mary believes immediately that someone took it. She is informed by two angels that He is not there and had done what he said he would do, rise again. By now Mary is done, crying and weeping. And to her surprise, she is greeted by a resurrected Jesus. However, she believes that he is a gardener, he can't be Jesus. They have conversation and she doubts. He calls her name and immediately, she knows its him. I thought about John 10, where Jesus says that he is the Good Shepherd. In verse 28 in particular, Jesus says, his sheep hear his voice, know him and they follow him. This is exactly what she did.

Stop allowing others to tell you how to interact with Jesus. You have fasted, studied, and worked to grow on and in your relationship with Jesus, over the last 47 days. Don't just put that to waste. You know his voice, when you hear it, follow him.
