Let me say Thank You, to all who attended the Annual Meeting on January 23rd, and thank you to the ones online, who hung in there while we tried to correct the issue we had with ZOOM. I think it finally came down to updating drivers. Got to love electronics. Can't live with them, can't live without them.

At the beginning of the Annual Meeting, I read the following to those in attendance, the definition of a "Qualified Voter":

Persons of full age belonging to the parish, who have been baptized and are regular attendants at its worship and contributors to its support for at least twelve months prior to such election or special meeting or since the establishment of such parish.

So, what qualifies as "regular attendants"? You must attend a worship service at least 3 times a year, and you want to know the best part? You can even do it on ZOOM or Facebook Live!!! That counts!!

Now, would we rather see you in person? Darn tootin'!! But we understand, kids get sick, you have sports to attend, life happens. But, with the ability to access a church service anywhere you are, why not do it? Show your kids, your spouse, yourself that you find church as important to your life, your spiritual life, as all the other important things in your life.

I don't know if people understand how lucky this church is. Not only do we have Fr. Leon as our Parish Priest, albeit part-time, we have Fr. Charles and not one but two dedicated Lay people, who do Morning Prayer at least twice a month. There are churches with out a Priest, part-time or otherwise. We are blessed. We are strong. We are moving forward.

Thank you to ALL who do the many different jobs around the church, to keep us running. You are appreciated and loved.

God Bless,  
Robin  
Warden

## About St. Paul's

The earliest record of Episcopal Church services in this vicinity  
was 1816 when St. Stephen's Church of Perryville was incorpo-  
rated. At that time Chittenango was little more than a gathering of  
frame and log houses. From 1816-1832 rectors from St. Stephen's  
held missionary services in Chittenango.

Around 1849 a few gentlemen who greatly admired and revered  
the beautiful services of the Church, agreed to make an effort to  
have services occasionally held. By the spring of 1855 services be-  
gan to be held regularly once a month in the Bethel. St. Paul's was  
officially organized as a parish on June 18, 1855. St. Paul's church  
was built in 1865 as a Gothic Revival-style structure. The lot, build-  
ing, furniture and windows cost \$5000. The building  
was completed in less that six months. The first service was held in  
the church on Easter Day, April 1, 1866.

On May 12, 1866 the church was consecrated by Bishop Coxe. It  
was added to the U.S. National Historic Register of National Places  
in 1996.

*Notes*

Thank you for remembering my birthday with your generous gift. I love tools, and among other things I ordered a fancy screwdriver with bits and blades for a dozen kind of screws.

Peace and Love,  
Father Charlie

Thanks for the very good fruit basket. Enjoyed it very much.

Edna Brown

Dear St. Paul's family,

Thank you so much for your prayers and for the huge fruit basket. The surgery went well and I'm recovering nicely.

God Bless,  
Mary Jane

resource group

[cnyepiscopal.org/small-church](http://cnyepiscopal.org/small-church)

The Small Church Resource Group is for leaders from our smallest churches (average Sunday attendance of less than 30). Every other month, we meet on Zoom to share what works and how we're responding to current challenges and opportunities.

On Thursday, February 10th, 6:00-7:30 p.m., join the Rev. Paul Frolick for a presentation on the topic "The Rule of St. Benedict." Please register here at: <https://cnyepiscopal.org/event/small-church/>

Developed in the 6th century during a pandemic and a period of great political instability and societal disintegration, Benedict's rule for his monks, grounded in prayer and listening, is a great spiritual resource for individuals and congregations today. We'll reflect on how to incorporate aspects of stability, obedience, and conversion into our lives and our ministries.
