Ask not what your Church can do for you – ask what you can do for your Church

Where did summer go this year? I think I say that every year, but this year seems like it passed by even faster. It's time for the kids to head back to school, and this year, they will all be schooling in person – at least for the time being. Which brings me to what we need to think about. Slowly, the number of Covid cases are on the rise. I think we should prepare ourselves for the idea, that as winter closes in on us, we may have to return to virtual services. I pray that we don't, but it is a good possibility. We also need to explore how we are going to "change" the air in the church – with winter coming, I doubt that opening a window would be efficient for us. It certainly will make the building too cold for all of us. Something to think about.

I wish to thank my ZOOM Committee for all their work and dedication to finding solutions on how to get our services out to the public. Fr. Charles and Betty have been wonderful on troubleshooting the sound system, trying different ways to connect it to our laptop. It has been a work in process, but it is getting better every time. Thank you, Fr. Charles, Betty, Judy and Sue for your input and help.

Just a gentle reminder, that soon we will be talking about Stewardship. Not only is stewardship about pledging, but about sharing our talents with the different areas that we could use volunteers. We need people interested in Altar Guild, we need Readers, and someone who will be willing to fill in periodically running the ZOOM during a service.

We also will be looking for people who would be interested in being on Vestry. I am so sorry if this is disjointed and short, but I wrote this in between going to the Midway, the buildings and Clayton's favorite spot this year, the Antique Train.

Bless you all and let us all do our best to stay healthy!!

Robin W.
Sr. Warden

The Mission of our Parish is to be an active community reflecting God's presence in Chittenango and other communities we represent.

About St. Paul's

The earliest record of Episcopal Church services in this vicinity was 1816 when St. Stephen's Church of Perryville was incorporated. At that time Chittenango was little more than a gathering of frame and log houses. From 1816-1832 rectors from St. Stephen's held missionary services in Chittenango.

Around 1849 a few gentlemen who greatly admired and revered the beautiful services of the Church, agreed to make an effort to have services occasionally held. By the spring of 1855 services began to be held regularly once a month in the Bethel. St. Paul's was officially organized as a parish on June 18, 1855. St. Paul's church was built in 1865 as a Gothic Revival-style structure. The lot, building, furniture and windows cost \$5000. The building was completed in less that six months. The first service was held in the church on Easter Day, April 1, 1866.

On May 12, 1866 the church was consecrated by Bishop Coxe. It was added to the U.S. National Historic Register of National Places in 1996.
