Many heartfelt thanks to everyone that helped make my 10th Annual Thank You Dinner for Town of Verona Veterans on November 11th a success! Thanks to Diane & Melanie Angell, Paula Bishop, George Eggen, Karen Knight, Linda Rogowski and Pastor Katie Yahns of St. Peter's Lutheran Church for helping out as well as The Hotey.

Thanks to the Verona Veterans of Foreign Wars Post 6811 for providing the venue for the Thank You Dinner. Special thanks to my wife, Kathy, and daughters, Katherine and Marissa as well as son, Freddy for being so supportive and helpful before and during the event itself. Thanks to Town of Verona Veteran, Frank Buda for playing accordion and honoring all branches of the military by playing a special musical medley.

Last, but certainly not least, thanks to the Veterans and their families that attended. Your service and sacrifice to our great country will never be forgotten! I am so honored to call these great people my friends and Verona my hometown!
